§101.6. PURPOSE
The boards, bureaus, and commissions in the department are established for the purpose of ensuring that those private businesses and professions deemed to engage in activities which have potential impact upon the public health, safety, and welfare are adequately regulated in order to protect the people of California.

To this end, they establish minimum qualifications and levels of competency and license persons desiring to engage in the occupations they regulate upon determining that such persons possess the requisite skills and qualifications necessary to provide safe and effective services to the public, or register or otherwise certify persons in order to identify practitioners and ensure performance according to set and accepted professional standards. They provide a means for redress of grievances by investigating allegations of unprofessional conduct, incompetence, fraudulent action, or unlawful activity brought to their attention by members of the public and institute disciplinary action against persons licensed or registered under the provisions of this code when such action is warranted. In addition, they conduct periodic checks of licensees, registrants, or otherwise certified persons in order to ensure compliance with the relevant sections of this code.
§101.7. MEETING OF BOARDS; REGULAR AND SPECIAL

An agency may Web cast a meeting even if the agency fails to include that statement of intent in the notice.

The entity may delegate to the technical committee only those powers that it received pursuant to the interagency agreement with the director. The technical committee shall have only those powers that have been delegated to it by the entity.

Thereafter, at the director’s discretion, the interagency agreement may be renewed.

(a) If the affidavits in support of the petition show that the licensee has engaged or is about to engage in acts or omissions constituting a violation of a chapter of this code and if the court is satisfied that permitting the licensee to continue to engage in the business or profession for which the license was issued will endanger the public health, safety, or welfare, the court may issue an order temporarily restraining the licensee from engaging in the profession for which he or she is licensed.

(b) The order may not be issued without notice to the licensee unless it appears from facts shown by the affidavits that serious injury would result to the public before the matter can be heard on notice.

(c) Except as otherwise specifically provided by this section, proceedings under this section shall be governed by Chapter 3 (commencing with Section 525) of Title 7 of Part 2 of the Code of Civil Procedure.

(d) When a restraining order is issued pursuant to this section, or within a time to be allowed by the superior court, but in any case not more than 30 days after the restraining order is issued, an accusation shall be filed with the board pursuant to Section 11503 of the Government Code or, in the case of a licensee of the State Department of Health Services, with that department pursuant to Section 100171 of the Health and Safety Code. The accusation shall be served upon the licensee as provided by Section 11505 of the Government Code. The licensee shall have all of the rights and privileges available as specified in Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code. However, if the licensee requests a hearing on the accusation, the board shall provide the licensee with a hearing within 30 days of the request and a decision within 15 days of the date the decision is received from the administrative law judge, or the court may nullify the restraining order previously issued. Any restraining order issued pursuant to this section shall be dissolved by operation of law at the time the board's decision is subject to judicial review pursuant to Section 1094.5 of the Code of Civil Procedure.

(e) The remedy provided for in this section shall be in addition to, and not a limitation upon, the authority provided by any other provision of this code.

§125.8. TEMPORARY ORDER RESTRAINING LICENSEE ENGAGED OR ABOUT TO ENGAGE IN VIOLATION OF LAW

In addition to the remedy provided for in Section 125.5, the superior court for the county in which any licensee licensed under Division 3 (commencing with Section 5000) or Chapter 2 (commencing with Section 18600) or Chapter 3 (commencing with Section 19000) of Division 8 has engaged or is about to engage in any act which constitutes a violation of a chapter of this code administered or enforced by a board referred to in Division 3 (commencing with Section 5000) or Chapter 2 (commencing with Section 18600) or Chapter 3 (commencing with Section 19000) of Division 8 may, upon a petition filed by the board and accompanied by an affidavit or affidavits in support thereof and a memorandum of points and authorities, issue a temporary restraining order or other appropriate order restraining the licensee from engaging in the business or profession for which the person is licensed or from any part thereof, in accordance with the provisions of this section.

(a) If the affidavits in support of the petition show that the licensee has engaged or is about to engage in acts or omissions constituting a violation of a chapter of this code and if the court is satisfied that permitting the licensee to continue to engage in the business or profession for which the license was issued will endanger the public health, safety, or welfare, the court may issue an order temporarily restraining the licensee from engaging in the profession for which he is licensed.

(b) Such order may not be issued without notice to the licensee unless it appears from facts shown by the affidavits that serious injury would result to the public before the matter can be heard on notice.

(c) Except as otherwise specifically provided by this section, proceedings under this section shall be governed by Chapter 3 (commencing with Section 525) of Title 7 of Part 2 of the Code of Civil Procedure.

(d) When a restraining order is issued pursuant to this section, or within a time to be allowed by the superior court, but in any case not more than 30 days after the restraining order is issued, an accusation shall be filed with the board pursuant to Section 11503 of the

19
Government Code. The accusation shall be served upon the licensee as provided by Section 11505 of the Government Code. The licensee shall have all of the rights and privileges available as specified in Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code; however, if the licensee requests a hearing on the accusation, the board must provide the licensee with a hearing within 30 days of the request and a decision within 15 days of the date of the conclusion of the hearing, or the court may nullify the restraining order previously issued. Any restraining order issued pursuant to this section shall be dissolved by operation of law at such time the board’s decision is subject to judicial review pursuant to Section 1094.5 of the Code of Civil Procedure.

§125.9. SYSTEM FOR ISSUANCE OF CITATIONS TO LICENSEES; CONTENTS; FINES

(a) Except with respect to persons regulated under Chapter 11 (commencing with Section 7500), any board, bureau, or commission within the department, the board created by the Chiropractic Initiative Act, and the Osteopathic Medical Board of California, may establish, by regulation, a system for the issuance to a licensee of a citation which may contain an order of abatement or an order to pay an administrative fine assessed by the board, bureau, or commission where the licensee is in violation of the applicable licensing act or any regulation adopted pursuant thereto.

(b) The system shall contain the following provisions:

(1) Citations shall be in writing and shall describe with particularity the nature of the violation, including specific reference to the provision of law determined to have been violated.

(2) Whenever appropriate, the citation shall contain an order of abatement fixing a reasonable time for abatement of the violation.

(3) In no event shall the administrative fine assessed by the board, bureau, or commission exceed five thousand dollars ($5,000) for each inspection or each investigation made with respect to the violation, or five thousand dollars ($5,000) for each violation or count if the violation involves fraudulent billing submitted to an insurance company, the Medi-Cal program, or Medicare. In assessing a fine, the board, bureau, or commission shall give due consideration to the appropriateness of the amount of the fine with respect to factors such as the gravity of the violation, the good faith of the licensee, and the history of previous violations.

(4) A citation or fine assessment issued pursuant to a citation shall inform the licensee that if he or she desires a hearing to contest the finding of a violation, that hearing shall be requested by written notice to the board, bureau, or commission within 30 days of the date of issuance of the citation or assessment. If a hearing is not requested pursuant to this section, payment of any fine shall not constitute an admission of the violation charged. Hearings shall be held pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

(5) Failure of a licensee to pay a fine within 30 days of the date of assessment, unless the citation is being appealed, may result in disciplinary action being taken by the board, bureau, or commission. Where a citation is not contested and a fine is not paid, the full amount of the assessed fine shall be added to the fee for renewal of the license. A license shall not be renewed without payment of the renewal fee and fine.

(c) The system may contain the following provisions:

(1) A citation may be issued without the assessment of an administrative fine.

(2) Assessment of administrative fines may be limited to only particular violations of the applicable licensing act.

(d) Notwithstanding any other provision of law, if a fine is paid to satisfy an assessment based on the finding of a violation, payment of the fine shall be represented as satisfactory resolution of the matter for purposes of public disclosure.

(e) Administrative fines collected pursuant to this section shall be deposited in the special fund of the particular board, bureau, or commission.

§126. SUBMISSION OF REPORTS TO GOVERNOR

Notwithstanding any other provision of this code, any board, commission, examining committee, or other similarly constituted agency within the department required prior to the effective date of this section to submit reports to the Governor under any provision of this code shall not be required to submit such reports.

(a) Notwithstanding any other provision of law, if at the end of any fiscal year, an agency within the Department of Consumer Affairs, except the agencies referred to in subdivision (b), has unencumbered funds in an amount that equals or is more than the agency's operating budget for the next two fiscal years, the agency shall reduce license or other fees, whether the license or other fees be fixed by statute or may be determined by the agency within limits fixed by statute, during the following fiscal year in an amount that will reduce any surplus funds of the agency to an amount less than the agency's operating budget for the next two fiscal years.

(b) Notwithstanding any other provision of law, if at the end of any fiscal year, the California Architects Board, the Board of Behavioral Sciences, the Veterinary Medical Board, the Court Reporters Board of California, the Medical Board of California, the Board of Vocational Nursing and Psychiatric Technicians, or the Bureau of Security and Investigative Services has unencumbered funds in an amount that equals or is more than the agency's operating budget for the next two fiscal years, the agency shall reduce license or other fees, whether the license or other fees be fixed by statute or may be determined by the agency within limits fixed by statute, during the following fiscal year in an amount that will reduce any surplus funds of the agency to an amount less than the agency's operating budget for the next two fiscal years.

Each board shall notify the complainant of the final action taken on his or her complaint. There shall be a notification made in every case in which the complainant is known. If the complaint is not within the jurisdiction of the board or if the board is unable to dispose satisfactorily of the complaint, the board shall transmit the complaint together with any evidence or information it has concerning the complaint to the agency, public or private, whose authority in the opinion of the board will provide the most effective means to secure the relief sought. The board shall notify the complainant of this action and of any other means that may be available to the complainant to secure relief.
(c) The board shall, when the board deems it appropriate, notify the person against whom the complaint is made of the nature of the complaint, may request appropriate relief for the complainant, and may meet and confer with the complainant and the licensee in order to mediate the complaint. Nothing in this subdivision shall be construed as authorizing or requiring any board to set or to modify any fee charged by a licensee.
(d) It shall be the continuing duty of the board to ascertain patterns of complaints and to report on all actions taken with respect to those patterns of complaints to the director and to the Legislature at least once per year. The board shall evaluate those complaints dismissed for lack of jurisdiction or no violation and recommend to the director and to the Legislature at least once per year the statutory changes it deems necessary to implement the board's functions and responsibilities under this section.
(e) It shall be the continuing duty of the board to take whatever action it deems necessary, with the approval of the director, to inform the public of its functions under this section.

§137. REGULATIONS REQUIRING INCLUSION OF LICENSE NUMBERS IN ADVERTISING, ETC.
Any agency within the department may promulgate regulations requiring licensees to include their license numbers in any advertising, soliciting, or other presentments to the public.

However, nothing in this section shall be construed to authorize regulation of any person not a licensee who engages in advertising, solicitation, or who makes any other presentment to the public on behalf of a licensee. A board shall be exempt from the requirement to adopt regulations pursuant to this section if the board has in place, in statute or regulation, a requirement that provides for consumer notice of a practitioner’s status as a licensee of this state.

§139. POLICY FOR EXAMINATION DEVELOPMENT AND VALIDATION AND OCCUPATIONAL ANALYSIS

(a) The Legislature finds and declares that occupational analyses and examination validation studies are fundamental components of licensure programs. It is the intent of the Legislature that the policy developed by the department pursuant to subdivision (b) be used by the fiscal, policy, and sunset review committees of the Legislature in their annual reviews of these boards, programs, and bureaus.

(b) Notwithstanding any other provision of law, the department shall develop, in consultation with the boards, programs, bureaus, and divisions under its jurisdiction, and the Osteopathic Medical Board of California and the State Board of Chiropractic Examiners, a policy regarding examination development and validation, and occupational analysis. The department shall finalize and distribute this policy by September 30, 1999, to each of the boards, programs, bureaus, and divisions under its jurisdiction and to the Osteopathic Medical Board of California and the State Board of Chiropractic Examiners. This policy shall be submitted in draft form at least 30 days prior to that date to the appropriate fiscal, policy, and sunset review committees of the Legislature for review. This policy shall address, but shall not be limited to, the following issues:

(1) An appropriate schedule for examination validation and occupational analyses, and circumstances under which more frequent reviews are appropriate.

(2) Minimum requirements for psychometrically sound examination validation, examination development, and occupational analyses, including standards for sufficient number of test items.

(3) Standards for review of state and national examinations.

The evaluation shall include (1) a description of the occupational analysis serving as the basis for the examination; (2) sufficient item analysis data to permit a psychometric evaluation of the items; (3) an assessment of the appropriateness of prerequisites for admittance to the examination; and (4) an estimate of the costs and personnel required to perform these functions. The evaluation shall be revised and a new evaluation submitted to the director whenever, in the judgment of the board, program, or bureau, there is a substantial change in the examination or the prerequisites for admittance to the examination.

(d) The evaluation may be conducted by the board, program, or bureau, the Office of Professional Examination Services of the department, the Osteopathic Medical Board of California, or the State Board of Chiropractic Examiners or pursuant to a contract with a qualified private testing firm. A board, program, or bureau that provides for development or administration of a licensing examination pursuant to contract with a public or private entity may rely on an occupational analysis or item analysis conducted by that entity. The department shall compile this information, along with a schedule specifying when examination validations and occupational analyses shall be performed, and submit it to the appropriate fiscal, policy, and sunset review committees of the Legislature by September 30 of each year. It is the intent of the Legislature that the method specified in this report be consistent with the policy developed by the department pursuant to subdivision (b).

§140. DISCIPLINARY ACTION; LICENSEE’S FAILURE TO RECORD CASH TRANSACTIONS IN PAYMENT OF EMPLOYEE WAGES

Any board, as defined in Section 22, which is authorized under this code to take disciplinary action against a person who holds a license may take disciplinary action upon the ground that the licensee has failed to record and preserve for not less than three years, any and all cash transactions involved in the payment of employee wages by a licensee. Failure to make these records available to an authorized representative of the board may be made grounds for disciplinary action. In any action brought and sustained by the board which involves a violation of this section and any regulation adopted thereto, the board may assess the licensee with the actual investigative costs.
incurred, not to exceed two thousand five hundred dollars ($2,500). Failure to pay those costs may result in revocation of the license. Any moneys collected pursuant to this section shall be deposited in the respective fund of the board.

§141. DISCIPLINARY ACTION BY FOREIGN JURISDICTION; GROUNDS OR DISCIPLINARY ACTION BY STATE LICENSING BOARD

(a) For any licensee holding a license issued by a board under the jurisdiction of the department, a disciplinary action taken by another state, by any agency of the federal government, or by another country for any act substantially related to the practice regulated by the California license, may be a ground for disciplinary action by the respective state licensing board. A certified copy of the record of the disciplinary action taken against the licensee by another state, an agency of the federal government, or another country shall be conclusive evidence of the events related therein.

(b) Nothing in this section shall preclude a board from applying a specific statutory provision in the licensing act administered by that board that provides for discipline based upon a disciplinary action taken against the licensee by another state, an agency of the federal government, or another country shall be conclusive evidence of the events related therein.

(c) This section shall not apply to an act or contract that is considered to qualify as lawful practice of a licensed occupation or profession pursuant to Section 121.

Added Stats 1994 ch 1275 § 2 (SB 2101).

§142. AUTHORITY TO SYNCHRONIZE RENEWAL DATES OF LICENSES; ABANDONMENT DATE FOR APPLICATION; DELINQUENCY FEE

This section shall apply to the bureaus and programs under the direct authority of the director, and to any board that, with the prior approval of the director, elects to have the department administer one or more of the licensing services set forth in this section.

(a) Notwithstanding any other provision of law, each bureau and program may synchronize the renewal dates of licenses granted to applicants with more than one license issued by the bureau or program. To the extent practicable, fees shall be prorated or adjusted so that no applicant shall be required to pay a greater or lesser fee than he or she would have been required to pay if the change in renewal dates had not occurred.

(b) Notwithstanding any other provision of law, the abandonment date for an application that has been returned to the applicant as incomplete shall be 12 months from the date of returning the application.

(c) Notwithstanding any other provision of law, a delinquency, penalty, or late fee shall be assessed if the renewal fee is not postmarked by the renewal expiration date.

Added Stats 1998 ch 970 § 2 (AB 2802).

§143. PROOF OF LICENSE AS CONDITION OF BRINGING ACTION FOR COLLECTION OF COMPENSATION

(a) No person engaged in any business or profession for which a license is required under this code governing the department or any board, bureau, commission, committee, or program within the department, may bring or maintain any action, or recover in law or equity in any action, in any court of this state for the collection of compensation for the performance of any act or contract for which a license is required without alleging and proving that he or she was duly licensed at all times during the performance of that act or contract, regardless of the merits of the cause of action brought by the person.

(b) The judicial doctrine of substantial compliance shall not apply to this section.

(c) This section shall apply to an act or contract that is considered to qualify as lawful practice of a licensed occupation or profession pursuant to Section 121.

Added Stats 1990 ch 1207 § 1.5 (AB 3242).

A provision of that nature is void as against public policy, and any licensee who includes or permits to be included a provision of that nature in a settlement agreement is subject to disciplinary action by the board, bureau, or program.

(b) Any board, bureau, or program within the Department of Consumer Affairs that takes disciplinary action against a licensee or licensees based on a complaint or report that has also been the subject of a civil action and that has been settled for monetary damages providing for full and final satisfaction of the parties may not require its licensee or licensees to pay any additional sums to the benefit of any plaintiff in the civil action.

(c) As used in this section, "board" shall have the same meaning as defined in Section 22, and "licensee" means a person who has been granted a license, as that term is defined in Section 23.7. (d) Notwithstanding any other law, upon granting a petition filed by a licensee or authorized agent of a licensee pursuant to Section 11340.6 of the Government Code, a board, bureau, or program within the Department of Consumer Affairs may, based upon evidence and legal authorities cited in the petition, adopt a regulation that does both of the following:
(1) Identifies a code section or jury instruction in a civil cause of action that has no relevance to the board's, bureau's, or program's enforcement responsibilities such that an agreement to settle such a cause of action based on that code section or jury instruction otherwise prohibited under subdivision (a) will not impair the board's, bureau's, or program's duty to protect the public.

(2) Exempts agreements to settle such a cause of action from the requirements of subdivision (a).

(e) This section shall not apply to a licensee subject to Section 2220.7.

The director shall, if appropriate, advise the consumer of the action taken on the complaint and of any other means which may be available to the consumer to secure relief.

(a) The actual preparation of, the administration of, and the grading of, examinations.

(b) The inspection or investigation of licentiates, the manner or method of practice or doing business, or their place of practice or business.

Nothing in this section shall be construed as precluding a public member or a lay member from participating in the formation of policy relating to the scope of the activities set forth in subdivisions (a) and (b) or in the approval, disapproval or modification of the action of its individual members, nor preclude such member from participating as a member of a subcommittee consisting of more than one member of the board in the performance of any duty.

DIVISION 1.5 DENIAL, SUSPENSION AND
REVOCATION OF LICENSES

CHAPTER 1: GENERAL PROVISIONS

§475. APPLICABILITY OF DIVISION
(a) Notwithstanding any other provisions of this code, the provisions of this division shall govern the denial of licenses on the grounds of:

(1) Knowingly making a false statement of material fact, or knowingly omitting to state a material fact, in an application for a license.
(2) Conviction of a crime.
(3) Commission of any act involving dishonesty, fraud or deceit with the intent to substantially benefit himself or another, or substantially injure another.
(4) Commission of any act which, if done by a licentiate of the business or profession in question, would be grounds for suspension or revocation of license.
(b) Notwithstanding any other provisions of this code, the provisions of this division shall govern the suspension and revocation of licenses on grounds specified in paragraphs (1) and (2) of subdivision (a).
(c) A license shall not be denied, suspended, or revoked on the grounds of a lack of good moral character or any similar ground relating to an applicant's character, reputation, personality, or habits.

§476. EXEMPTIONS
(a) Except as provided in subdivision (b), nothing in this division shall apply to the licensure or registration of persons pursuant to Chapter 4 (commencing with Section 6000) of Division 3, or pursuant to Division 9 (commencing with Section 23000) or pursuant to Chapter 5 (commencing with Section 19800) of Division 8.

§477. “BOARD”; “LICENSE”
As used in this division:
(a) "Board" includes "bureau," "commission," "committee," "department," "division," "examining committee," "program," and "agency."
(b) "License" includes certificate, registration or other means to engage in a business or profession regulated by this code.

Added Stats 1972 ch 903 § 1. Amended Stats 1974 ch 1321 § 2; Stats 1983 ch 95 § 1; Stats 1991 ch 654 § 5 (AB 1893).
CHAPTER 2: DENIAL OF LICENSES

§480. GROUNDS FOR DENIAL; EFFECT OF OBTAINING CERTIFICATE OF REHABILITATION
(a) A board may deny a license regulated by this code on the grounds that the applicant has one of the following:
(1) Been convicted of a crime. A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4, 1203.4a, or 1203.41 of the Penal Code.
(2) Done any act involving dishonesty, fraud, or deceit with the intent to substantially benefit himself or herself or another, or substantially injure another.
(3) (A) Done any act that if done by a licentiate of the business or profession in question, would be grounds for suspension or revocation of license.
(B) The board may deny a license pursuant to this subdivision only if the crime or act is substantially related to the qualifications, functions, or duties of the business or profession for which application is made.
(b) Notwithstanding any other provision of this code, a person shall not be denied a license solely on the basis that he or she has been convicted of a felony if he or she has obtained a certificate of rehabilitation under Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code or that he or she has been convicted of a misdemeanor if he or she has met all applicable requirements of the criteria of rehabilitation developed by the board to evaluate the rehabilitation of a person when considering the denial of a license under subdivision (a) of Section 482.
(c) Notwithstanding any other provisions of this code, a person shall not be denied a license solely on the basis of a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, or 1203.41 of the Penal Code. An applicant who has a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, or 1203.41 of the Penal Code shall provide proof of the dismissal.
(d) A board may deny a license regulated by this code on the ground that the applicant knowingly made a false statement of fact that is required to be revealed in the application for the license.

§481. CRIME AND JOB-FITNESS CRITERIA
Each board under the provisions of this code shall develop criteria to aid it, when considering the denial, suspension or revocation of a license, to determine whether a crime or act is substantially related to the qualifications, functions, or duties of the business or profession it regulates.

§482. REHABILITATION CRITERIA
Each board under the provisions of this code shall develop criteria to evaluate the rehabilitation of a person when:
(a) Considering the denial of a license by the board under Section 480; or
(b) Considering suspension or revocation of a license under Section 490.
Each board shall take into account all competent evidence of rehabilitation furnished by the applicant or licensee.

§484. ATTESTATION TO GOOD MORAL CHARACTER OF APPLICANT
No person applying for licensure under this code shall be required to submit to any licensing board any attestation by other persons to his good moral character.

§485. PROCEDURE UPON DENIAL
Upon denial of an application for a license under this chapter or Section 496, the board shall do either of the following:
(a) File and serve a statement of issues in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.
(b) Notify the applicant that the application is denied, stating (1) the reason for the denial, and (2) that the applicant has the right to a hearing under Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code if written request for hearing is made within 60 days after service of the notice of denial. Unless written request for hearing is made within the 60-day period, the applicant's right to a hearing is deemed waived. Service of the notice of denial may be made in the manner authorized for service of summons in civil actions, or by registered mail addressed to the applicant at the latest address filed by the applicant in writing with the board in his or her application or otherwise. Service by mail is complete on the date of mailing.
Added Stats 1972 ch 903 § 1. Amended Stats 1997 ch 758 § 2.3 (SB 1346).

§486. CONTENTS OF DECISION OR NOTICE
Where the board has denied an application for a license under this chapter or Section 496, it shall, in its decision, or in its notice under subdivision (b) of Section 485, inform the applicant of the following:
Government Code, that agency has denied an application from the same applicant upon the same ground.

CHAPTER 3: SUSPENSION AND REVOCATION OF LICENSES

§490. GROUNDS FOR SUSPENSION OR REVOCATION; DISCIPLINE FOR SUBSTANTIALLY RELATED CRIMES; CONVICTION; LEGISLATIVE FINDINGS

(a) In addition to any other action that a board is permitted to take against a licensee, a board may suspend or revoke a license on the ground that the licensee has been convicted of a crime, if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued.

(b) Notwithstanding any other provision of law, a board may exercise any authority to discipline a licensee for conviction of a crime that is independent of the authority granted under subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the licensee's license was issued.

(c) A conviction within the meaning of this section means a plea of guilty or a conviction following a plea of nolo contendere. An action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code.

(d) The Legislature hereby finds and declares that the application of this section has been made unclear by the holding in Petropoulos v. Department of Real Estate (2006) 142 Cal.App.4th 554, and that the holding in that case has placed a significant number of statutes and regulations in question, resulting in potential harm to the consumers of California from licensees who have been convicted of crimes. Therefore, the Legislature finds and declares that this section establishes an independent basis for a board to impose discipline upon a licensee, and that the amendments to this section made by Chapter 33 of the Statutes of 2008 do not constitute a change to, but rather are declaratory of, existing law.

§490.5. SUSPENSION OF LICENSE FOR FAILURE TO COMPLY WITH CHILD SUPPORT ORDER

(a) ...
§491. PROCEDURE UPON SUSPENSION OR REVOCATION

Upon suspension or revocation of a license by a board on one or more of the grounds specified in Section 490, the board shall:

(a) Send a copy of the provisions of Section 11522 of the Government Code to the ex-licensee.

(b) Send a copy of the criteria relating to rehabilitation formulated under Section 482 to the ex-licensee.

§492. EFFECT OF COMPLETION OF DRUG DIVERSION PROGRAM ON DISCIPLINARY ACTION OR DENIAL OF LICENSE

Notwithstanding any other provision of law, successful completion of any diversion program under the Penal Code, or successful completion of an alcohol and drug problem assessment program under Article 5 (commencing with Section 23249.50) of Chapter 12 of Division 11 of the Vehicle Code, shall not prohibit any agency established under Division 2 (commencing with Section 500) of this code, or any initiative act referred to in that division, from taking disciplinary action against a licensee or from denying a license for professional misconduct, notwithstanding that evidence of that misconduct may be recorded in a record pertaining to an arrest.

This section shall not be construed to apply to any drug diversion program operated by any agency established under Division 2 (commencing with Section 500) of this code, or any initiative act referred to in that division.

§493. EVIDENTIARY EFFECT OF RECORD OF CONVICTION OF CRIME SUBSTANTIALLY RELATED TO LICENSEE’S QUALIFICATIONS, FUNCTIONS, AND DUTIES

Notwithstanding any other provision of law, in a proceeding conducted by a board within the department pursuant to law to deny an application for a license or to suspend or revoke a license or otherwise take disciplinary action against a person who holds a license, upon the ground that the applicant or the licensee has been convicted of a crime substantially related to the qualifications, functions, and duties of the licensee in question, the record of conviction of the crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact, and the board may inquire into the circumstances surrounding the commission of the crime in order to fix the degree of discipline or to determine if the conviction is substantially related to the qualifications, functions, and duties of the licensee in question.

As used in this section, “license” includes “certificate,” “permit,” “authority,” and “registration.”

Added Stats 1961 ch 934 § 1, as B & P C § 117. Amended Stats 1978 ch 1161 § 3. Renumbered by Stats 1989 ch 1104 § 1.3.

§494. INTERIM SUSPENSION OR RESTRICTION ORDER

(a) A board or an administrative law judge sitting alone, as provided in subdivision (h), may, upon petition, issue an interim order suspending any licentiate or imposing license restrictions, including, but not limited to, mandatory biological fluid testing, supervision, or remedial training. The petition shall include affidavits that demonstrate, to the satisfaction of the board, both of the following:

(1) The licentiate has engaged in acts or omissions constituting a violation of this code or has been convicted of a crime substantially related to the licensed activity.

(2) Permitting the licentiate to continue to engage in the licensed activity, or permitting the licentiate to continue in the licensed activity without restrictions, would endanger the public health, safety, or welfare.

(b) No interim order provided for in this section shall be issued without notice to the licentiate unless it appears from the petition and supporting documents that serious injury would result to the public before the matter could be heard on notice.

(c) Except as provided in subdivision (b), the licentiate shall be given at least 15 days' notice of the hearing on the petition for an interim order. The notice shall include documents submitted to the board in support of the petition. If the order was initially issued without notice as provided in subdivision (b), the licentiate shall be entitled to a hearing on the petition within 20 days of the issuance of the interim order without notice. The licentiate shall be given notice of the hearing within two days after issuance of the initial interim order, and shall receive all documents in support of the petition. The failure of the board to provide a hearing within 20 days following the issuance of the interim order without notice, unless the licentiate waives his or her right to the hearing, shall result in the dissolution of the interim order by operation of law.

(d) At the hearing on the petition for an interim order, the licentiate may:

(1) Be represented by counsel.

(2) Have a record made of the proceedings, copies of which shall be available to the licentiate upon payment of costs computed in accordance with the provisions for transcript costs for judicial review contained in Section 11523 of the Government Code.

(3) Present affidavits and other documentary evidence.

(4) Present oral argument (e) The board, or an administrative law judge sitting alone as provided in subdivision (h), shall issue a decision on the petition for interim order within five business days following submission of the matter. The standard of proof required
to obtain an interim order pursuant to this section shall be a preponderance of the evidence standard. If the interim order was previously issued without notice, the board shall determine whether the order shall remain in effect, be dissolved, or modified.

(f) The board shall file an accusation within 15 days of the issuance of an interim order. In the case of an interim order issued without notice, the time shall run from the date of the order issued after the noticed hearing. If the licentiate files a Notice of Defense, the hearing shall be held within 30 days of the agency's receipt of the Notice of Defense. A decision shall be rendered on the accusation no later than 30 days after submission of the matter. Failure to comply with any of the requirements in this subdivision shall dissolve the interim order by operation of law.

(g) Interim orders shall be subject to judicial review pursuant to Section 1094.5 of the Code of Civil Procedure and shall be heard only in the superior court in and for the Counties of Sacramento, San Francisco, Los Angeles, or San Diego. The review of an interim order shall be limited to a determination of whether the board abused its discretion in the issuance of the interim order. Abuse of discretion is established if the respondent board has not proceeded in the manner required by law, or if the court determines that the interim order is not supported by substantial evidence in light of the whole record.

(h) The board may, in its sole discretion, delegate the hearing on any petition for an interim order to an administrative law judge in the Office of Administrative Hearings. If the board hears the noticed petition itself, an administrative law judge shall preside at the hearing, rule on the admission and exclusion of evidence, and advise the board on matters of law. The board shall exercise all other powers relating to the conduct of the hearing but may delegate any or all of them to the administrative law judge. When the petition has been delegated to an administrative law judge, he or she shall sit alone and exercise all of the powers of the board relating to the conduct of the hearing. A decision issued by an administrative law judge sitting alone shall be final when it is filed with the board. If the administrative law judge issues an interim order without notice, he or she shall preside at the noticed hearing, unless unavailable, in which case another administrative law judge may hear the matter. The decision of the administrative law judge sitting alone on the petition for an interim order is final, subject only to judicial review in accordance with subdivision (g).

(i) Failure to comply with an interim order issued pursuant to subdivision (a) or (b) shall constitute a separate cause for disciplinary action against any licentiate, and may be heard at, and as a part of, the noticed hearing provided for in subdivision (f). Allegations of noncompliance with the interim order may be filed at any time prior to the rendering of a decision on the accusation. Violation of the interim order is established upon proof that the licentiate was on notice of the interim order and its terms, and that the order was in effect at the time of the violation. The finding of a violation of an interim order made at the hearing on the accusation shall be reviewed as a part of any review of a final decision of the agency.

If the interim order issued by the agency provides for anything less than a complete suspension of the licentiate from his or her business or profession, and the licentiate violates the interim order prior to the hearing on the accusation provided for in subdivision (f), the agency may, upon notice to the licentiate and proof of violation, modify or expand the interim order.

(j) A plea or verdict of guilty or a conviction after a plea of nolo contendere is deemed to be a conviction within the meaning of this section. A certified record of the conviction shall be conclusive evidence of the fact that the conviction occurred. A board may take action under this section notwithstanding the fact that an appeal of the conviction may be taken.

(k) The interim orders provided for by this section shall be in addition to, and not a limitation on, the authority to seek injunctive relief provided in any other provision of law.

(l) In the case of a board, a petition for an interim order may be filed by the executive officer. In the case of a bureau or program, a petition may be filed by the chief or program administrator, as the case may be.

(m) "Board," as used in this section, shall include any agency described in Section 22, and any allied health agency within the jurisdiction of the Medical Board of California. Board shall also include the Osteopathic Medical Board of California and the State Board of Chiropractic Examiners. The provisions of this section shall not be applicable to the Medical Board of California, the Board of Podiatric Medicine, or the State Athletic Commission.

§494.5. AGENCY ACTIONS WHEN LICENSEE IS ON CERTIFIED LIST; DEFINITIONS; COLLECTION AND DISTRIBUTION OF CERTIFIED LIST INFORMATION; TIMING; NOTICES; CHALLENGES BY APPLICANTS AND LICENSEES; RELEASE FORMS; INTERAGENCY AGREEMENTS; FEES; REMEDIES; INQUIRIES AND DISCLOSURE OF INFORMATION; SEVERABILITY

(a)(1) Except as provided in paragraphs (2), (3), and (4), a state governmental licensing entity shall refuse to issue, reactivate, reinstate, or renew a license and shall suspend a license if a licensee's name is included on a certified list.

(2) The Department of Motor Vehicles shall suspend a license if a licensee's name is included on a certified list. Any reference in this section to the issuance, reactivation, reinstatement, renewal, or denial of a license shall not apply to the Department of Motor Vehicles.

(3) The State Bar of California may recommend to refuse to issue, reactivate, reinstate, or renew a license and may recommend to suspend a license if a licensee's name is included on a certified list. The word "may" shall be substituted for the word "shall" relating to the issuance of a temporary license, refusal to issue, reactivate, reinstate, renew, or suspend a license in this section for licenses under the jurisdiction of the California Supreme Court.

(4) The Department of Alcoholic Beverage Control may refuse to issue, reactivate, reinstate, or renew a license, and may suspend a license, if a licensee's name is included on a certified list.

(b) For purposes of this section:

(1) "Certified list" means either the list provided by the State Board of Equalization or the list provided by the Franchise Tax Board of persons whose names appear on the lists of the 500 largest tax delinquencies pursuant to Section 7063 or 19195 of the Revenue and Taxation Code, as applicable.

(2) "License" includes a certificate, registration, or any other authorization to engage in a profession or occupation issued by a state governmental licensing entity. "License" includes a driver's license issued pursuant to Chapter 1 (commencing with Section 12500) of Division 6 of the Vehicle Code. "License" excludes a vehicle registration issued pursuant to Division 3 (commencing with Section 4000) of the Vehicle Code.

(3) "Licensee" means an individual authorized by a license to drive a motor vehicle or authorized by a license, certificate, registration, or any other authorization to engage in a profession or occupation issued by a state governmental licensing entity.

(4) "State governmental licensing entity" means any entity listed in Section 101, 1000, or 19420, the office of the Attorney General, the Department of Insurance, the Department of Motor Vehicles, the State Bar of California, the Department of Real Estate, and any other state agency, board, or commission that issues a license, certificate, or registration authorizing an individual to engage in a profession or occupation, including any certificate, business or occupational license, or permit or license issued by the Department of Motor Vehicles or the Department of the California Highway Patrol. "State governmental licensing entity" shall not include the Contractors' State License Board.

(c) The State Board of Equalization and the Franchise Tax Board shall each submit its respective certified list to every state governmental licensing entity. The certified lists shall include the name, social security number or the federal taxpayer identification number, and the last known address of the persons identified on the certified lists.

(d) Notwithstanding any other law, each state governmental licensing entity shall collect the social security number or the federal taxpayer identification number from all applicants for the purposes of matching the names of the certified lists provided by the State Board of Equalization and the Franchise Tax Board to applicants and licensees.

(e)(1) Each state governmental licensing entity shall determine whether an applicant or licensee is on the most recent certified list provided by the State Board of Equalization and the Franchise Tax Board.

(2) If an applicant or licensee is on either of the certified lists, the state governmental licensing entity shall immediately provide a preliminary notice to the applicant or licensee of the entity's intent to suspend or withhold issuance or renewal of the license. The preliminary notice shall be delivered personally or by mail to the applicant's or licensee's last known mailing address on file with the state governmental licensing entity within 30 days of receipt of the certified list. Service by mail shall be completed in accordance with Section 1013 of the Code of Civil Procedure.

(A) The state governmental licensing entity shall issue a temporary license valid for a period of 90 days to any applicant whose name is on a certified list if the applicant is otherwise eligible for a license.

(B) The 90-day time period for a temporary license shall not be extended. Only one temporary license shall be issued during a regular license term and the term of the temporary license shall coincide with the first 90 days of the regular license term. A license for the full term or the remainder of the license term may be issued or renewed only upon compliance with this section.

(C) In the event that a license is suspended or an application for a license or the renewal of a license is denied pursuant to this section, any funds paid by the applicant or licensee shall not be refunded by the state governmental licensing entity.

(f) (1) A state governmental licensing entity shall refuse to issue or shall suspend a license pursuant to this section no sooner than 90 days and no later than 120 days of the mailing of the preliminary notice described in paragraph (2) of subdivision (e), unless the state governmental licensing entity has received a release pursuant to subdivision (h). The procedures in the administrative adjudication provisions of the Administrative Procedure Act (Chapter 4.5 (commencing
with Section 11400) and Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code) shall not apply to the denial or suspension of, or refusal to renew, a license or the issuance of a temporary license pursuant to this section.

(2) Notwithstanding any other law, if a board, bureau, or commission listed in Section 101, other than the Contractors' State License Board, fails to take action in accordance with this section, the Department of Consumer Affairs shall issue a temporary license or suspend or refuse to issue, reactivate, reinstate, or renew a license, as appropriate.

(g) Notices shall be developed by each state governmental licensing entity. For an applicant or licensee on the State Board of Equalization's certified list, the notice shall include the address and telephone number of the State Board of Equalization, and shall emphasize the necessity of obtaining a release from the State Board of Equalization as a condition for the issuance, renewal, or continued valid status of a license or licenses. For an applicant or licensee on the Franchise Tax Board's certified list, the notice shall include the address and telephone number of the Franchise Tax Board, and shall emphasize the necessity of obtaining a release from the Franchise Tax Board as a condition for the issuance, renewal, or continued valid status of a license or licenses.

(1) The notice shall inform the applicant that the state governmental licensing entity shall issue a temporary license, as provided in subparagraph (A) of paragraph (2) of subdivision (e), for 90 calendar days if the applicant is otherwise eligible and that upon expiration of that time period, the license will be denied unless the state governmental licensing entity has received a release from the State Board of Equalization or the Franchise Tax Board, whichever is applicable.

(2) The notice shall inform the licensee that any license suspended under this section will remain suspended until the state governmental licensing entity receives a release along with applications and fees, if applicable, to reinstate the license.

(3) The notice shall also inform the applicant or licensee that if an application is denied or a license is suspended pursuant to this section, any moneys paid by the applicant or licensee shall not be refunded by the state governmental licensing entity. The state governmental licensing entity shall also develop a form that the applicant or licensee shall use to request a release by the State Board of Equalization or the Franchise Tax Board. A copy of this form shall be included with every notice sent pursuant to this subdivision.

(h) If the applicant or licensee wishes to challenge the submission of his or her name on a certified list, the applicant or licensee shall make a timely written request for release to the State Board of Equalization or the Franchise Tax Board, whichever is applicable. The State Board of Equalization or the Franchise Tax Board shall immediately send a release to the appropriate state governmental licensing entity and the applicant or licensee, if any of the following conditions are met:

(1) The applicant or licensee has complied with the tax obligation, either by payment of the unpaid taxes or entry into an installment payment agreement, as described in Section 6832 or 19008 of the Revenue and Taxation Code, to satisfy the unpaid taxes.

(2) The applicant or licensee has submitted a request for release not later than 45 days after the applicant's or licensee's receipt of a preliminary notice described in paragraph (2) of subdivision (e), but the State Board of Equalization or the Franchise Tax Board, whichever is applicable, will be unable to complete the release review and send notice of its findings to the applicant or licensee and state governmental licensing entity within 45 days after the State Board of Equalization's or the Franchise Tax Board's receipt of the applicant's or licensee's request for release. Whenever a release is granted under this paragraph, and, notwithstanding that release, the applicable license or licenses have been suspended erroneously, the state governmental licensing entity shall reinstate the applicable licenses with retroactive effect back to the date of the erroneous suspension and that suspension shall not be reflected on any license record.

(3) The applicant or licensee is unable to pay the outstanding tax obligation due to a current financial hardship. "Financial hardship" means financial hardship as determined by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, where the applicant or licensee is unable to pay any part of the outstanding liability and the applicant or licensee is unable to qualify for an installment payment arrangement as provided for by Section 6832 or Section 19008 of the Revenue and Taxation Code. In order to establish the existence of a financial hardship, the applicant or licensee shall submit any information, including information related to reasonable business and personal expenses, requested by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, for purposes of making that determination.

(i) An applicant or licensee is required to act with diligence in responding to notices from the state governmental licensing entity and the State Board of Equalization or the Franchise Tax Board with the recognition that the temporary license will lapse or the license suspension will go into effect after 90 days and that the State Board of Equalization or the Franchise Tax Board must have time to act within that period. An applicant's or licensee's delay in acting, without good cause, which directly results in the inability of the State Board of Equalization or the Franchise Tax Board, whichever is applicable, to complete a review of the applicant's or licensee's request for release shall not constitute the diligence required under this section which would justify the issuance of a release. An applicant or licensee shall have the burden of establishing that he or she diligently responded to notices from the state governmental licensing entity or the State Board of Equalization or the Franchise Tax Board and that any delay was not without good cause.

(j) The State Board of Equalization or the Franchise Tax Board shall create release forms for use pursuant to this section. When the applicant or licensee has complied with the tax obligation by payment of the unpaid taxes, or entry into an installment payment
agreement, or establishing the existence of a current financial hardship as defined in paragraph (3) of subdivision (h), the State Board of Equalization or the Franchise Tax Board, whichever is applicable, shall mail a release form to the applicant or licensee and provide a release to the appropriate state governmental licensing entity. Any state governmental licensing entity that has received a release from the State Board of Equalization and the Franchise Tax Board pursuant to this subdivision shall process the release within five business days of its receipt. If the State Board of Equalization or the Franchise Tax Board determines subsequent to the issuance of a release that the licensee has not complied with their installment payment agreement, the State Board of Equalization or the Franchise Tax Board, whichever is applicable, shall notify the state governmental licensing entity and the licensee in a format prescribed by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, that the licensee is not in compliance and the release shall be rescinded. The State Board of Equalization and the Franchise Tax Board may, when it is economically feasible for the state governmental licensing entity to develop an automated process for complying with this subdivision, notify the state governmental licensing entity in a manner prescribed by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, that the licensee has not complied with the installment payment agreement. Upon receipt of this notice, the state governmental licensing entity shall immediately notify the licensee on a form prescribed by the state governmental licensing entity that the licensee's license will be suspended on a specific date, and this date shall be no longer than 30 days from the date the form is mailed. The licensee shall be further notified that the license will remain suspended until a new release is issued in accordance with this subdivision.

(k) The State Board of Equalization and the Franchise Tax Board may enter into interagency agreements with the state governmental licensing entities necessary to implement this section.

(l) Notwithstanding any other law, a state governmental licensing entity, with the approval of the appropriate department director or governing body, may impose a fee on a licensee whose license has been suspended pursuant to this section. The fee shall not exceed the amount necessary for the state governmental licensing entity to cover its costs in carrying out the provisions of this section. Fees imposed pursuant to this section shall be deposited in the fund in which other fees imposed by the state governmental licensing entity are deposited and shall be available to that entity upon appropriation in the annual Budget Act.

(m) The process described in subdivision (h) shall constitute the sole administrative remedy for contesting the issuance of a temporary license or the denial or suspension of a license under this section.

(n) Any state governmental licensing entity receiving an inquiry as to the licensed status of an applicant or licensee who has had a license denied or suspended under this section or who has been granted a temporary license under this section shall respond that the license was denied or suspended or the temporary license was issued only because the licensee appeared on a list of the 500 largest tax delinquencies pursuant to Section 7063 or 19195 of the Revenue and Taxation Code. Information collected pursuant to this section by any state agency, board, or department shall be subject to the Information Practices Act of 1977 (Chapter 1 (commencing with Section 1798) of Part 4 of Division 3 of the Civil Code). Any state governmental licensing entity that discloses on its Internet Web site or other publication that the licensee has had a license denied or suspended under this section or has been granted a temporary license under this section shall prominently disclose, in bold and adjacent to the information regarding the status of the license, that the only reason the license was denied, suspended, or temporarily issued is because the licensee failed to pay taxes.

(o) Any rules and regulations issued pursuant to this section by any state agency, board, or department may be adopted as emergency regulations in accordance with the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). The adoption of these regulations shall be deemed an emergency and necessary for the immediate preservation of the public peace, health, and safety, or general welfare. The regulations shall become effective immediately upon filing with the Secretary of State.

(p) The State Board of Equalization, the Franchise Tax Board, and state governmental licensing entities, as appropriate, shall adopt regulations as necessary to implement this section.

(q) (1) Neither the state governmental licensing entity, nor any officer, employee, or agent, or former officer, employee, or agent of a state governmental licensing entity, may disclose or use any information obtained from the State Board of Equalization or the Franchise Tax Board, pursuant to this section, except to inform the public of the denial, refusal to renew, or suspension of a license or the issuance of a temporary license pursuant to this section. The release or other use of information received by a state governmental licensing entity pursuant to this section, except as authorized by this section, is punishable as a misdemeanor. This subdivision may not be interpreted to prevent the State Bar of California from filing a request with the Supreme Court of California to suspend a member of the bar pursuant to this section.

(2) A suspension of, or refusal to renew, a license or issuance of a temporary license pursuant to this section does not constitute denial or discipline of a licensee for purposes of any reporting requirements to the National Practitioner Data Bank and shall not be reported to the National Practitioner Data Bank or the Healthcare Integrity and Protection Data Bank.

(3) Upon release from the certified list, the suspension or revocation of the applicant's or licensee's license shall be purged from the state governmental licensing entity's Internet Web site or other publication within three
(r) If any provision of this section or the application thereof to any person or circumstance is held invalid, that invalidity shall not affect other provisions or applications of this section that can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

(s) All rights to review afforded by this section to an applicant shall also be afforded to a licensee.

(t) Unless otherwise provided in this section, the policies, practices, and procedures of a state governmental licensing entity with respect to license suspensions under this section shall be the same as those applicable with respect to suspensions pursuant to Section 17520 of the Family Code.

(u) No provision of this section shall be interpreted to allow a court to review and prevent the collection of taxes prior to the payment of those taxes in violation of the California Constitution.

(v) This section shall apply to any licensee whose name appears on a list of the 500 largest tax delinquencies pursuant to Section 7063 or 19195 of the Revenue and Taxation Code on or after July 1, 2012.

CHAPTER 4: PUBLIC REPROVALS

§495. PUBLIC REPROVAL OF LICENTIATE OR CERTIFICATE HOLDER FOR ACT CONSTITUTING GROUNDS FOR SUSPENSION OR REVOCATION OF LICENSE OR CERTIFICATE; PROCEEDINGS

Notwithstanding any other provision of law, any entity authorized to issue a license or certificate pursuant to this code may publicly reprove a licentiate or certificate holder thereof, for any act that would constitute grounds to suspend or revoke a license or certificate. Any proceedings for public reproval, public reproval and suspension, or public reproval and revocation shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, or, in the case of a licensee or certificate holder under the jurisdiction of the State Department of Health Services, in accordance with Section 100171 of the Health and Safety Code.

CHAPTER 5: EXAMINATION SECURITY

Added Stats 1989 ch 1022 § 3.

§498. FRAUD, DECEIT OR MISREPRESENTATION AS GROUNDS FOR ACTION AGAINST LICENSE

A board may revoke, suspend, or otherwise restrict a license on the ground that the licensee secured the license by fraud, deceit, or knowing misrepresentation of a material fact or by knowingly omitting to state a material fact.

Added Stats 1992 ch 1289 § 8 (AB 2743).

§499. ACTION AGAINST LICENSE BASED ON LICENTIATE’S ACTIONS REGARDING APPLICATION OF ANOTHER

Added Stats 1992 ch 1289 § 9 (AB 2743).
§510. PROTECTION AGAINST RETALIATION FOR PHYSICIANS WHO “ADVOCATE FOR MEDICALLY APPROPRIATE HEALTH CARE”

(a) The purpose of this section is to provide protection against retaliation for health care practitioners who advocate for appropriate health care for their patients pursuant to Wickline v. State of California 192 Cal. App. 3d 1630.

(b) It is the public policy of the State of California that a health care practitioner be encouraged to advocate for appropriate health care for his or her patients. For purposes of this section, “to advocate for appropriate health care” means to appeal a payer’s decision to deny payment for a service pursuant to the reasonable grievance or appeal procedure established by a medical group, independent practice association, preferred provider organization, foundation, hospital medical staff and governing body, or payer, or to protest a decision, policy, or practice that the health care practitioner, consistent with that degree of learning and skill ordinarily possessed by reputable health care practitioners with the same license or certification and practicing according to the applicable legal standard of care, reasonably believes impairs the health care practitioner’s ability to provide appropriate health care to his or her patients.

(c) The application and rendering by any individual, partnership, corporation, or other organization of a decision to terminate an employment or other contractual relationship with or otherwise penalize a health care practitioner principally for advocating for appropriate health care consistent with that degree of learning and skill ordinarily possessed by reputable health care practitioners with the same license or certification and practicing according to the applicable legal standard of care violates the public policy of this state.

(d) This section shall not be construed to prohibit a payer from making a determination not to pay for a particular medical treatment or service, or the services of a type of health care practitioner, or to prohibit a medical group, independent practice association, preferred provider organization, foundation, hospital medical staff, hospital governing body acting pursuant to Section 809.05, or payer from enforcing reasonable peer review or utilization review protocols or determining whether a health care practitioner has complied with those protocols.

(e)(1) Except as provided in paragraph (2), appropriate health care in a hospital licensed pursuant to Section 1250 of the Health and Safety Code shall be defined by the appropriate hospital committee and approved by the hospital medical staff and the governing body, consistent with that degree of learning and skill ordinarily possessed by reputable health care practitioners with the same license or certification and practicing according to the applicable legal standard of care.

(2) To the extent the issue is under the jurisdiction of the medical staff and its committees, appropriate health care in a hospital licensed pursuant to Section 1250 of the Health and Safety Code shall be defined by the hospital medical staff and approved by the governing body, consistent with that degree of learning and skill ordinarily possessed by reputable health care practitioners with the same license or certification and practicing according to the applicable legal standard of care.

(f) Nothing in this section shall be construed to prohibit the governing body of a hospital from taking disciplinary actions against a health care practitioner as authorized by Sections 809.05, 809.4, and 809.5.

(g) Nothing in this section shall be construed to prohibit the appropriate licensing authority from taking disciplinary actions against a health care practitioner.

(h) For purposes of this section, "health care practitioner" means a person who is described in subdivision (f) of Section 900 and who is either (1) a licentiate as defined in Section 805, or (2) a party to a contract with a payer whose decision, policy, or practice is subject to the advocacy described in subdivision (b), or (3) an individual designated in a contract with a payer whose decision, policy, or practice is subject to the advocacy described in subdivision (b), where the individual is granted the right to appeal denials of payment or authorization for treatment under the contract.

(i) Nothing in this section shall be construed to revise or expand the scope of practice of any health care practitioner, or to revise or expand the types of health care practitioners who are authorized to obtain medical staff privileges or to submit claims for reimbursement to payers.

(j) The protections afforded health care practitioners by this section shall be in addition to the protections available under any other law of this state.

Added Stats 1994 ch 1119 § 1 (AB 3390).

§511. PROSCRIPTION ON PAYMENT TO HEALTH CARE PRACTITIONER TO DENY, LIMIT, OR DELAY SERVICES

(a) No subcontract between a physician and surgeon, physician and surgeon group, or other licensed health care practitioner who contracts with a health care service plan or health insurance carrier, and another physician
and surgeon, physician and surgeon group, or licensed health care practitioner, shall contain any incentive plan that includes a specific payment made, in any type or form, to a physician and surgeon, physician and surgeon group, or other licensed health care practitioner as an inducement to deny, reduce, limit, or delay specific, medically necessary, and appropriate services covered under the contract with the health care service plan or health insurance carrier and provided with respect to a specific enrollee or groups of enrollees with similar medical conditions.

(b) Nothing in this section shall be construed to prohibit subcontracts that contain incentive plans that involve general payments such as capitation payments or shared risk agreements that are not tied to specific medical decisions involving specific enrollees or groups of enrollees with similar medical conditions.

Added Stats 1996 ch 1014 § 1 (AB 2649).

§§11. DISCLOSURE RELATING TO HEALTH CARE PROVIDER’S PARTICIPATION IN NETWORK; DISCLOSURES BY CONTRACTING AGENT CONVEYING ITS LIST OF CONTRACTED HEALTH CARE PROVIDERS AND REIMBURSEMENT RATES; ELECTION BY PROVIDER TO BE EXCLUDED FROM LIST; DEMONSTRATION BY PAYOR OF ENTITLEMENT TO PAY CONTRACTED RATE

(a) In order to prevent the improper selling, leasing, or transferring of a health care provider's contract, it is the intent of the Legislature that every arrangement that results in a payor paying a health care provider a reduced rate for health care services based on the health care provider's participation in a network or panel shall be disclosed to the provider in advance and that the payor shall actively encourage beneficiaries to use the network, unless the health care provider agrees to provide discounts without that active encouragement.

(b) Beginning July 1, 2000, every contracting agent that sells, leases, assigns, transfers, or conveys its list of contracted health care providers and their contracted reimbursement rates to a payor, as defined in subparagraph (A) of paragraph (3) of subdivision (d), or another contracting agent shall, upon entering or renewing a provider contract, do all of the following:

(1) Disclose whether the list of contracted providers may be sold, leased, transferred, or conveyed to other payors or other contracting agents, and specify whether those payors or contracting agents include workers' compensation insurers or automobile insurers.

(2) Disclose what specific practices, if any, payors utilize to actively encourage a payor's beneficiaries to use the list of contracted providers when obtaining medical care that entitles a payor to claim a contracted rate. For purposes of this paragraph, a payor is deemed to have actively encouraged its beneficiaries to use the list of contracted providers if one of the following occurs:

(A) The payor's contract with subscribers or insureds offers beneficiaries direct financial incentives to use the list of contracted providers when obtaining medical care.

“Financial incentives” means reduced copayments, reduced deductibles, premium discounts directly attributable to the use of a provider panel, or financial penalties directly attributable to the nonuse of a provider panel.

(B) The payor provides information directly to its beneficiaries, who are parties to the contract, or, in the case of workers’ compensation insurance, the employer, advising them of the existence of the list of contracted providers through the use of a variety of advertising or marketing approaches that supply the names, addresses, and telephone numbers of contracted providers to beneficiaries in advance of their selection of a health care provider, which approaches may include, but are not limited to, the use of provider directories, or the use of toll-free telephone numbers or internet web site addresses supplied directly to every beneficiary. However, internet web site addresses alone shall not be deemed to satisfy the requirements of this subparagraph. Nothing in this subparagraph shall prevent contracting agents or payors from providing only listings of providers located within a reasonable geographic range of a beneficiary.

(3) Disclose whether payors to which the list of contracted providers may be sold, leased, transferred, or conveyed may be permitted to pay a provider's contracted rate without actively encouraging the payors' beneficiaries to use the list of contracted providers when obtaining medical care. Nothing in this subdivision shall be construed to require a payor to actively encourage the payor's beneficiaries to use the list of contracted providers when obtaining medical care in the case of an emergency.

(4) Disclose, upon the initial signing of a contract, and within 30 calendar days of receipt of a written request from a provider or provider panel, a payor summary of all payors currently eligible to claim a provider's contracted rate due to the provider's and payor's respective written agreements with any contracting agent.

(5) Allow providers, upon the initial signing, renewal, or amendment of a provider contract, to decline to be included in any list of contracted providers that is sold, leased, transferred, or conveyed to payors that do not actively encourage the payors’ beneficiaries to use the list of contracted providers when obtaining medical care as described in paragraph (2). Each provider's election under this paragraph shall be binding on the contracting agent with which the provider has the contract and on any other contracting agent that buys, leases, or otherwise obtains the list of contracted providers. A provider shall not be excluded from any list of contracted providers that is sold, leased, transferred, or conveyed to payors that actively encourage the payors’ beneficiaries to use the list of contracted providers when obtaining medical care, based upon the provider's refusal to be included on any list of contracted providers that is sold, leased, transferred, or conveyed to payors that do not actively encourage the payors’ beneficiaries to use the list of contracted providers when obtaining medical care.
§511.3. RIGHTS AND OBLIGATIONS OF PROVIDER UPON SALE, LEASE OR TRANSFER OF HEALTH PROVIDERS CONTRACT TO PAYOR

(a) When a contracting agent sells, leases, or transfers a health provider's contract to a payor, the rights and obligations of the provider shall be governed by the underlying contract between the health care provider and the contracting agent.

(b) For purposes of this section, the following terms shall have the following meanings:

(1) "Beneficiary" means:

(A) Discloses the name of the network that has a written agreement with the provider whereby the provider agrees to accept discounted rates, and describes the specific practices the payor utilizes to comply with paragraph (2) of subdivision (b).

(B) Identifies the provider's written agreement with a contracting agent whereby the provider agrees to be included on lists of contracted providers sold, leased, transferred, or conveyed to payors that do not actively encourage beneficiaries to use the list of contracted providers pursuant to paragraph (5) of subdivision (b).

(d) For the purposes of this section, the following terms have the following meanings:

(1) "Beneficiary" means:

(A) For workers' compensation insurance, an employee seeking health care services for a work-related injury.

(B) For automobile insurance, those persons covered under the medical payments portion of the insurance contract.

(C) For group or individual health services covered through a health care service plan contract, including a specialized health care service plan contract, or a policy of disability insurance that covers hospital, medical, or surgical benefits, a subscriber, an enrollee, a policyholder, or an insured.

(2) "Contracting agent" means a third-party administrator or trust not licensed under the Health and Safety Code, the Insurance Code, or the Labor Code, a self-insured employer, a preferred provider organization, or an independent practice association, while engaged,

(6) Nothing in this subdivision shall be construed to impose requirements or regulations upon payors, as defined in subparagraph (A) of paragraph (3) of subdivision (d).

(c) Beginning July 1, 2000, a payor, as defined in subparagraph (B) of paragraph (3) of subdivision (d), shall do all of the following:

(1) Provide an explanation of benefits or explanation of review that identifies the name of the plan or network that has a written agreement signed by the provider whereby the payor is entitled, directly or indirectly, to pay a preferred rate for the services rendered.

(2) Demonstrate that it is entitled to pay a contracted rate within 30 business days of receipt of a written request from a provider who has received a claim payment from the payor. The failure of a payor to make the demonstration within 30 business days shall render the payor responsible for the amount that the payor would have been required to pay pursuant to the contract between the payor and the beneficiary, which amount shall be due and payable within 10 business days of receipt of written notice from the provider, and shall bar the payor from taking any future discounts from that provider without the provider's express written consent until the payor can demonstrate to the provider that it is entitled to pay a contracted rate as provided in this paragraph. A payor shall be deemed to have demonstrated that it is entitled to pay a contracted rate if it complies with either of the following:

(A) Discloses the name of the network that has a written agreement with the provider whereby the provider agrees to accept discounted rates, and describes the specific practices the payor utilizes to comply with paragraph (2) of subdivision (b).

(B) Identifies the provider's written agreement with a contracting agent whereby the provider agrees to be included on lists of contracted providers sold, leased, transferred, or conveyed to payors that do not actively encourage beneficiaries to use the list of contracted providers pursuant to paragraph (5) of subdivision (b).

(d) For the purposes of this section, the following terms have the following meanings:

(1) "Beneficiary" means:

(A) For workers' compensation insurance, an employee seeking health care services for a work-related injury.

(C) For group or individual health services covered through a health care service plan contract, including a specialized health care service plan contract, or a policy of disability insurance that covers hospital, medical, or surgical benefits, a subscriber, an enrollee, a policyholder, or an insured.

(2) "Contracting agent" means a third-party administrator or trust not licensed under the Health and Safety Code, the Insurance Code, or the Labor Code, a self-insured employer, a preferred provider organization, or an independent practice association, while engaged,
§511.4. INFORMATION PROVIDED IN ELECTRONIC FORMAT
(a) A contracting agent, as defined in paragraph (2) of subdivision (d) of Section 511.1, shall beginning July 1, 2006, prior to contracting, annually thereafter on or before the contract anniversary date, and, in addition, upon the contracted provider’s written request, disclose to contracting providers all of the following information in an electronic format:

(1) The amount of payment for each service to be provided under the contract, including any fee schedules or other factors or units used in determining the fees for each service. To the extent that reimbursement is made pursuant to a specified fee schedule, the contract shall incorporate that fee schedule by reference, including the year of the schedule. For any proprietary fee schedule, the contract shall include sufficient detail that payment amounts related to that fee schedule can be accurately predicted.

(2) The detailed payment policies and rules and nonstandard coding methodologies used to adjudicate claims, which shall, unless otherwise prohibited by state law, do all of the following:

(A) When available, be consistent with Current Procedural Terminology (CPT), and standards accepted by nationally recognized medical societies and organizations, federal regulatory bodies, and major credentialing organizations.

(B) Clearly and accurately state what is covered by any global payment provisions for both professional and institutional services, any global payment provisions for all services necessary as part of a course of treatment in an institutional setting, and any other global arrangements, such as per diem hospital payments.

(C) At a minimum, clearly and accurately state the policies regarding all of the following:

(i) Consolidation of multiple services or charges and payment adjustments due to coding changes.

(ii) Reimbursement for multiple procedures.

(iii) Reimbursement for assistant surgeons.

(iv) Reimbursement for the administration of immunizations and injectable medications.

(v) Recognition of CPT modifiers.

(b) The information disclosures required by this section shall be in sufficient detail and in an understandable format that does not disclose proprietary trade secret information or violate copyright law or patented processes, so that a reasonable person with sufficient training, experience, and competence in claims processing can determine the payment to be made according to the terms of the contract.

(C) Use of any photograph or other image of an actual patient that depicts or purports to depict the results of any procedure, or presents "before" and "after" views of a patient, without specifying in a prominent location in easily readable type size what procedures were performed on that patient is a violation of subdivision (a). Any "before" and "after" views (i) shall be comparable in presentation so that the results are not distorted by favorable poses, lighting, or other features of presentation, and (ii) shall contain a statement that the same "before" and "after" results may not occur for all patients.

(4) Relates to fees, other than a standard consultation fee or a range of fees for specific types of services, without fully and specifically disclosing all variables and other material factors.

(5) Contains other representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(c) Any price advertisement shall be exact, without the use of phrases, including, but not limited to, "as low as," "and up," "lowest prices," or words or phrases of similar import. Any advertisement that refers to services, or costs for services, and that uses words of comparison shall be based on verifiable data substantiating the comparison. In connection with price advertising, the price for each product or service shall be clearly identifiable. The price advertised for products shall include charges for any related professional services, including dispensing and fitting services, unless the advertisement specifically and clearly indicates otherwise.

(f) Any person so licensed who violates this section is guilty of a misdemeanor. A bona fide mistake of fact shall be a defense to this subdivision, but only to this subdivision.

Each of the healing arts boards and committees and examining committees within Division 2 shall, by regulation, define those efficacious services to be advertised by businesses or professions under their jurisdiction for the purpose of determining whether advertisements are false or misleading. Until a definition for that service has been issued, no advertisement for that service shall be disseminated. However, if a definition of a service has not been issued by a board or committee within 120 days of receipt of a request from a licensee, all those holding the license may advertise the service. Those boards and committees shall adopt or modify regulations defining what services may be advertised, the manner in which defined services may be advertised, and restricting advertising that would promote the inappropriate or excessive use of health services or commodities. A board or committee shall not, by regulation, unreasonably prevent truthful, nondeceptive price or otherwise lawful forms of advertising of services or commodities, by either outright prohibition or imposition of onerous disclosure requirements. However, any member of a board or committee acting in good faith in the adoption or enforcement of any regulation shall be deemed to be acting as an agent of the state.

(j) The Attorney General shall commence legal proceedings in the appropriate forum to enjoin advertisements disseminated or about to be disseminated in violation of this section and seek other appropriate relief to enforce this section. Notwithstanding any other provision of law, the costs of enforcing this section to the respective licensing boards or committees may be awarded against any licensee found to be in violation of any provision of this section. This shall not diminish the power of district attorneys, county counsels, or city attorneys pursuant to existing law to seek appropriate relief.

(k) A physician and surgeon or doctor of podiatric medicine licensed pursuant to Chapter 5 (commencing with Section 2000) by the Medical Board of California who knowingly and intentionally violates this section may be cited and assessed an administrative fine not to exceed ten thousand dollars ($10,000) per event. §655.5. PROCEDURE FOR BILLING FOR SERVICES PERFORMED BY OUTSIDE LABORATORY

(a) It is unlawful for any person licensed under this division or under any initiative act referred to in this division, or any clinical laboratory, or any health facility when billing for a clinical laboratory of the facility, to charge, bill, or otherwise solicit payment from any patient, client, or customer for any clinical laboratory service not actually rendered by the person or clinical laboratory or under his, her or its direct supervision unless the patient, client, or customer is apprised at the first time of the charge, billing, or solicitation of the name, address, and charges of the clinical laboratory performing the service. The first such written charge, bill, or other solicitation of payment shall separately
set forth the name, address, and charges of the 
clinical laboratory concerned and shall clearly show 
whether or not the charge is included in the total of the 
account, bill, or charge. This subdivision shall be 
satisfied if the required disclosures are made to the 
third-party payer of the patient, client, or customer. If 
the patient is responsible for submitting the bill for the 
charges to the third-party payer, the bill provided to 
the patient for that purpose shall include the 
disclosures required by this section. This subdivision 
shall not apply to a clinical laboratory of a health 
facility or a health facility when billing for a clinical 
laboratory of the facility nor to a person licensed under 
this division or under any initiative act referred to in 
this division if the standardized billing form used by 
the facility or person requires a summary entry for all 
clinical laboratory charges. For purposes of this 
subdivision, "health facility" has the same meaning as 
defined in Section 1250 of the Health and Safety 
Code.

(b) Commencing July 1, 1994, a clinical laboratory 
shall provide to each of its referring providers, upon 
request, a schedule of fees for services provided to 
patients of the referring provider. The schedule shall 
be provided within two working days after the clinical 
laboratory receives the request. For the purposes of 
this subdivision, a "referring provider" means any 
provider who has referred a patient to the clinical 
laboratory in the preceding six-month period. 
Commencing July 1, 1994, a clinical laboratory that 
provides a list of laboratory services to a referring 
provider or to a potential referring provider shall 
include a schedule of fees for the laboratory services 
listed.

(c) It is also unlawful for any person licensed under 
this division or under any initiative act referred to in 
this division to charge additional charges for any 
clinical laboratory service that is not actually rendered 
by the licensee to the patient and itemized in the 
charge, bill, or other solicitation of payment. This 
section shall not be construed to prohibit any of the 
following:

(1) Any itemized charge for any service actually 
rendered to the patient by the licensee.

(2) Any summary charge for services actually 
rendered to a patient by a health facility, as defined in 
Section 1250 of the Health and Safety Code, or by a 
person licensed under this division or under any 
initiative act referred to in this division if the 
standardized billing form used by the facility or person 
requires a summary entry for all clinical laboratory 
charges.

(d) As used in this section, the term "any person 
licensed under this division" includes a person 
licensed under paragraph (1) of subdivision (a) of 
Section 1265, all wholly owned subsidiaries of the 
person, a parent company that wholly owns the 
person, and any subsidiaries wholly owned by the 
same parent that wholly owns the person. "Wholly 
owned" means ownership directly or through one or 
more subsidiaries. This section shall not apply to 
billings by a person licensed under paragraph (1) of 
subdivision (a) of Section 1265 when the person 
licensed under paragraph (1) of subdivision (a) of 
Section 1265 bills for services performed by any 
laboratory owned or operated by the person licensed 
under paragraph (1) of subdivision (a) of Section 
1265.

(e) This section shall not apply to any person or 
clinical laboratory who or which contracts directly with 
a health care service plan licensed pursuant to 
Section 1349 of the Health and Safety Code, if the 
services are to be provided to members of the plan on 
a prepaid basis and without additional charge or 
liability on account thereof.

(f) A violation of this section is a public offense and is 
punishable upon a first conviction by imprisonment in 
acounty jail for not more than one year, or by 
imprisonment pursuant to subdivision (h) of Section 
1170 of the Penal Code, or by a fine not exceeding 
ten thousand dollars ($10,000), or by both that 
imprisonment and fine. A second or subsequent 
conviction is punishable by imprisonment pursuant to 
subdivision (h) of Section 1170 of the Penal Code.

(g) (1) Notwithstanding subdivision (f), a violation of 
this section by a physician and surgeon for a first 
offense shall be subject to the exclusive remedy of 
reprimand by the Medical Board of California if the 
transaction that is the subject of the violation involves 
a charge for a clinical laboratory service that is less 
than the charge would have been if the clinical 
laboratory providing the service billed a patient, client, 
or customer directly for the clinical laboratory service, 
and if that clinical laboratory charge is less than the 
charge listed in the clinical laboratory's schedule of 
fees pursuant to subdivision (b).

(2) Nothing in this subdivision shall be construed to 
permit a physician and surgeon to charge more than 
he or she was charged for the laboratory service by 
the clinical laboratory providing the service unless the 
additional charge is for service actually rendered by 
the physician and surgeon to the patient.

§657. LEGISLATIVE FINDINGS AND DECLARATIONS; DISCOUNTS FOR PROMPT PAYMENT OF HEALTH OR MEDICAL CLAIMS

(a) The Legislature finds and declares all of the following:

1. Californians spend more than one hundred billion dollars ($100,000,000,000) annually on health care.

2. In 1994, an estimated 6.6 million of California's 32 million residents did not have any health insurance and were ineligible for Medi-Cal.

3. Many of California's uninsured cannot afford basic, preventative health care resulting in these residents relying on emergency rooms for urgent health care, thus driving up health care costs.

4. Health care should be affordable and accessible to all Californians.

5. The public interest dictates that uninsured Californians have access to basic, preventative health care at affordable prices.

(b) To encourage the prompt payment of health or medical care claims, health care providers are hereby expressly authorized to grant discounts in health or medical care claims when payment is made promptly within time limits prescribed by the health care providers or institutions rendering the service or treatment.

(c) Notwithstanding any provision in any health care service plan contract or insurance contract to the contrary, health care providers are hereby expressly authorized to grant discounts for health or medical care provided to any patient the health care provider has reasonable cause to believe is not eligible for, or is not entitled to, insurance reimbursement, coverage under the Medi-Cal program, or coverage by a health care service plan for the health or medical care provided. Any discounted fee granted pursuant to this section shall not be deemed to be the health care provider's usual, customary, or reasonable fee for any other purposes, including, but not limited to, any health care service plan contract or insurance contract.

(d) "Health care provider," as used in this section, means any person licensed or certified pursuant to Division 2 (commencing with Section 500) of the Business and Professions Code, or licensed pursuant to the Osteopathic Initiative Act, or the Chiropractic Initiative Act, or licensed pursuant to Chapter 2.5 (commencing

with Section 1440) of Division 2 of the Health and Safety Code; and any clinic, health dispensary, or health facility, licensed pursuant to Division 2 (commencing with Section 1200) of the Health and Safety Code.

ARTICLE 7.5: HEALTH CARE PRACTITIONERS

§680. HEALTH CARE PRACTITIONER'S DISCLOSURE OF NAME AND LICENSE STATUS
(a) Except as otherwise provided in this section, a health care practitioner shall disclose, while working, his or her name and practitioner's license status, as granted by this state, on a name tag in at least 18-point type. A health care practitioner in a practice or an office, whose license is prominently displayed, may opt to not wear a name tag. If a health care practitioner or a licensed clinical social worker is working in a psychiatric setting or in a setting that is not licensed by the state, the employing entity or agency shall have the discretion to make an exception from the name tag requirement for individual safety or therapeutic concerns. In the interest of public safety and consumer awareness, it shall be unlawful for any person to use the title “nurse” in reference to himself or herself and in any capacity, except for an individual who is a registered nurse or a licensed vocational nurse, or as otherwise provided in Section 2800. Nothing in this section shall prohibit a certified nurse assistant from using his or her title.
(b) Facilities licensed by the State Department of Social Services, the State Department of Public Health, or the State Department of Health Care Services shall develop and implement policies to ensure that health care practitioners providing care in those facilities are in compliance with subdivision (a). The State Department of Social Services, the State Department of Public Health, and the State Department of Health Care Services shall verify through periodic inspections that the policies required pursuant to subdivision (a) have been developed and implemented by the respective licensed facilities.
(c) For purposes of this article, “health care practitioner” means any person who engages in acts that are the subject of licensure or regulation under this division or under any initiative act referred to in this division.

   (B) In a prominent display in an area visible to patients in his or her office.

(b) In addition to any penalty provided under any other provision of law, a violation of subdivision (a) shall subject the person to a civil penalty in an amount not to exceed two thousand five hundred dollars ($2,500) for the first offense, and not to exceed five thousand dollars ($5,000) for each subsequent offense, which may be assessed and recovered in a civil action brought by any district attorney. If the action is brought by a district attorney, the penalty recovered shall be paid to the treasurer of the county in which the judgment was entered.

§733. HEALTH CARE LICENTIATE REQUIRED TO DISPENSE DRUGS AND DEVICES PURSUANT TO LAWFUL ORDER OR PRESCRIPTION; SPECIFIED EXCEPTIONS; VIOLATIONS AS UNPROFESSIONAL CONDUCT

(a) A licentiate shall not obstruct a patient in obtaining a prescription drug or device that has been legally prescribed or ordered for that patient. A violation of this section constitutes unprofessional conduct by the licentiate and shall subject the licentiate to disciplinary or administrative action by his or her licensing agency.

(b) Notwithstanding any other law, a licentiate shall dispense drugs and devices, as described in subdivision (a) of Section 4024, pursuant to a lawful order or prescription unless one of the following circumstances exists:

(1) Based solely on the licentiate’s professional training and judgment, dispensing pursuant to the order or the prescription is contrary to law, or the licentiate determines that the prescribed drug or device would cause a harmful drug interaction or would otherwise adversely affect the patient’s medical condition.

(2) The prescription drug or device is not in stock. If an order, other than an order described in Section 4019, or prescription cannot be dispensed because the drug or device is not in stock, the licentiate shall take one of the following actions:

(A) Immediately notify the patient and arrange for the drug or device to be delivered to the site or directly to the patient in a timely manner.

(B) Promptly transfer the prescription to another pharmacy known to stock the prescription drug or device that is near enough to the site from which the prescription or order is transferred, to ensure the patient has timely access to the drug or device.

(C) Return the prescription to the patient and refer the patient. The licentiate shall make a reasonable effort to refer the patient to a pharmacy that stocks the prescription drug or device that is near enough to the referring site to ensure that the patient has timely access to the drug or device.

(3) The licentiate refuses on ethical, moral, or religious grounds to dispense a drug or device pursuant to an order or prescription. A licentiate may decline to dispense a prescription drug or device on this basis only if the licentiate has previously notified his or her employer, in writing, of the drug or class of drugs to which he or she objects, and the licentiate’s employer can, without creating undue hardship, provide a reasonable accommodation of the licentiate’s objection. The licentiate’s employer shall establish protocols that ensure that the patient has timely access to the prescribed drug or device despite the licentiate’s refusal to dispense the prescription or order. For purposes of this section, “reasonable accommodation” and “undue hardship” shall have the same meaning as applied to those terms pursuant to subdivision (f) of Section 12940 of the Government Code.

(c) For the purposes of this section, “prescription drug or device” has the same meaning as the definition in Section 4022.

(d) This section applies to emergency contraception drug therapy and self-administered hormonal contraceptives described in Section 4052.3.

(e) This section imposes no duty on a licentiate to dispense a drug or device pursuant to a prescription or order without payment for the drug or device, including payment directly by the patient or through a third-party payer accepted by the licentiate or payment of any required copayment by the patient.

(f) The notice to consumers required by Section 4122 shall include a statement that describes patients’ rights relative to the requirements of this section.

Added Stats 1998 ch 971 § 2 (AB 2721).

§800. CENTRAL FILES OF LICENSEES’ INDIVIDUAL HISTORICAL RECORDS
(a) The Medical Board of California, the Board of Psychology, the Dental Board of California, the Osteopathic Medical Board of California, the State Board of Chiropractic Examiners, the Board of Registered Nursing, the Board of Vocational Nursing and Psychiatric Technicians, the State Board of Optometry, the Veterinary Medical Board, the Board of Behavioral Sciences, the Physical Therapy Board of California, the California State Board of Pharmacy, the Speech-Language Pathology and Audiology and Hearing Aid Dispensers Board, the California Board of Occupational Therapy, the Acupuncture Board, and the Physician Assistant Board shall each separately create and maintain a central file of the names of all persons who hold a license, certificate, or similar authority from that board. Each central file shall be created and maintained to provide an individual historical record for each licensee with respect to the following information:

1. Any conviction of a crime in this or any other state that constitutes unprofessional conduct pursuant to the reporting requirements of Section 803.
2. Any judgment or settlement requiring the licensee or his or her insurer to pay any amount of damages in excess of three thousand dollars ($3,000) for any claim that injury or death was proximately caused by the licensee’s negligence, error or omission in practice, or by rendering unauthorized professional services, pursuant to the reporting requirements of Section 801 or 802.
3. Any public complaints for which provision is made pursuant to subdivision (b).
4. Disciplinary information reported pursuant to Section 805, including any additional exculpatory or explanatory statements submitted by the licentiate pursuant to subdivision (f) of Section 805. If a court finds, in a final judgment, that the peer review resulting in the 805 report was conducted in bad faith and the licensee who is the subject of the report notifies the board of that finding, the board shall include that finding in the central file. For purposes of this paragraph, “peer review” has the same meaning as defined in Section 805.
5. Information reported pursuant to Section 805.01, including any explanatory or exculpatory information submitted by the licensee pursuant to subdivision (b) of that section.

(b) Each board shall prescribe and promulgate forms on which members of the public and other licensees or certificate holders may file written complaints to the board alleging any act of misconduct in, or connected with, the performance of professional services by the licensee.

If a board, or division thereof, a committee, or a panel has failed to act upon a complaint or report within five years, or has found that the complaint or report is without merit, the central file shall be purged of information relating to the complaint or report.

Notwithstanding this subdivision, the Board of Psychology, the Board of Behavioral Sciences, and the Respiratory Care Board of California shall maintain complaints or reports as long as each board deems necessary.

(c) The contents of any central file that are not public records under any other provision of law shall be confidential except that the licensee involved, or his or her counsel or representative, shall have the right to inspect and have copies made of his or her complete file except for the provision that may disclose the identity of an information source. For the purposes of this section, a board may protect an information source by providing a copy of the material with only those deletions necessary to protect the identity of the source or by providing a comprehensive summary of the substance of the material. Whichever method is used, the board shall ensure that full disclosure is made to the subject of any personal information that could reasonably in any way reflect or convey anything detrimental, disparaging, or threatening to a licensee’s reputation, rights, benefits, privileges, or qualifications, or be used by a board to make a determination that would affect a licensee’s rights, benefits, privileges, or qualifications. The information required to be disclosed pursuant to Section 803.1 shall not be considered among the contents of a central file for the purposes of this subdivision.

The licensee may, but is not required to, submit any additional exculpatory or explanatory statement or other information that the board shall include in the central file.

Each board may permit any law enforcement or regulatory agency when required for an investigation of unlawful activity or for licensing, certification, or regulatory purposes to inspect and have copies made of that licensee’s file, unless the disclosure is otherwise prohibited by law.

These disclosures shall effect no change in the confidential status of these records.

In no circumstances shall the expiration date be shorter than the period of time recommended by the prescriber for reexamination of the patient. Establishing an expiration date that is not consistent with this section shall be regarded as unprofessional conduct by the board that issued the prescriber's license to practice.

(c) The prescriber of a spectacle lens shall orally inform the patient of the expiration date of a spectacle lens prescription at the time the prescription is issued. The expiration date of a prescription may be extended by the prescriber and transmitted by telephone, electronic mail, or any other means of communication. If the expiration date of a prescription is less than one year, the health-related reasons for the limitation shall be documented in the patient's medical record. In no circumstances shall the prescription expiration date be less than one to two years from the date of issuance.

(2) For the purposes of this subdivision, the date of issuance is the date the patient receives a copy of the prescription.

(3) Establishing an expiration date that is not consistent with this section shall be regarded as unprofessional conduct by the board that issued the prescriber's license to practice.

(b) Upon completion of the eye examination or, if applicable, the contact lens fitting process for a patient as described in subdivision (f), a prescriber or a registered dispensing optician shall provide the patient with a copy of the patient's contact lens prescription signed by the prescriber, unless the prescription meets the standards set forth in subdivision (c).

registered dispensing optician, the prescriber or his or her authorized agent shall, upon request of the contact lens seller and in the absence of the actual prescription, attempt to promptly confirm the information contained in the prescription through direct communication with the contact lens seller.

(e) The contact lens prescription shall include sufficient information for the complete and accurate filling of a prescription, including, but not limited to, the power, the material or manufacturer or both, the base curve or appropriate designation, the diameter when appropriate, and an appropriate expiration date. When a provider prescribes a private label contact lens for a patient, the prescription shall include the name of the manufacturer, the trade name of the private label brand, and, if applicable, the trade name of the equivalent national brand.

(f) The contact lens fitting process begins after the initial comprehensive eye examination, and includes an examination to determine the lens specifications, an initial evaluation of the fit of the lens on the patient’s eye, except in the case of a renewal prescription of an established patient, and follow-up examinations that are medically necessary, and ends when the prescriber or registered dispensing optician determines that an appropriate fit has been achieved, or in the case of a prescription renewal for an established patient, the prescriber determines that there is no change in the prescription.

(g) The payment of professional fees for the eye exam, fitting, and evaluation may be required prior to the release of the prescription, but only if the prescriber would have required immediate payment from the patient had the examination revealed that no ophthalmic goods were required. A prescriber or registered dispensing optician shall not charge the patient any fee as a condition to releasing the prescription to the patient. A prescriber may charge an additional fee for verifying ophthalmic goods dispensed by another seller if the additional fee is imposed at the time the verification is performed.

(h) A prescriber shall not condition the availability of an eye examination, a contact lens fitting, or the release of a contact lens prescription on a requirement that the patient agree to purchase contact lenses from that prescriber. A registered dispensing optician shall not condition the availability of a contact lens fitting on a requirement that the patient agrees to purchase contact lenses from that registered dispensing optician.

(i) A prescriber or a registered dispensing optician shall not place on the contact lens prescription, deliver to the patient, or require a patient to sign a form or notice waiving or disclaiming the liability or responsibility of the prescriber or registered dispensing optician for the accuracy of the ophthalmic goods and services dispensed by another seller. This prohibition against waivers and disclaimers shall not impose liability on a prescriber or registered dispensing optician for the ophthalmic goods and services dispensed by another seller pursuant to the prescriber’s prescription.

(j) The willful failure or refusal of a prescriber to comply with the provisions of this section shall constitute grounds for professional discipline, including, but not limited to, the imposition of a fine or the suspension or revocation of the prescriber’s license. The Medical Board of California and the State Board of Optometry shall adopt regulations, to implement this subdivision, including, but not limited to, standards for processing complaints each receives regarding this subdivision.

(k) For the purposes of this section, “prescriber” means a physician and surgeon or an optometrist.

(l) Nothing in this section shall be construed to expand the scope of practice of a registered dispensing optician as defined in Sections 2542, 2543, and Chapter 5.5 (commencing with Section 2550).

In promulgating these rules and regulations, the department and the boards shall adopt the current standards of the American National Standards Institute regarding ophthalmic materials. (b) No individual or group that deals with prescription ophthalmic devices, including, but not limited to, distributors, dispensers, manufacturers, laboratories, optometrists, or ophthalmologists shall sell, dispense, or furnish any prescription ophthalmic device that does not meet the minimum standards set by the State Department of Public Health, the State Board of Optometry, or the Division of Licensing and Division of Medical Quality of the Medical Board of California.

(e) The State Board of Optometry or the Division of Licensing and Division of Medical Quality of the Medical Board of California may send any prescription ophthalmic device to the State Department of Public Health for
testing as to whether or not the device meets established standards adopted pursuant to this section, which testing shall take precedence over any other prescription ophthalmic device testing being conducted by the department. The department may conduct the testing in its own facilities or may contract with any other facility to conduct the testing.

§2541.6. PURCHASE OF PRESCRIPTION OPHTHALMIC DEVICES WITH STATE FUNDS

No prescription ophthalmic device that does not meet the standards adopted by the State Department of Public Health, the State Board of Optometry, or the Division of Licensing and Division of Medical Quality of the Medical Board of California under Section 2541.3 shall be purchased with state funds.

(2) Any individual or entity who offers for sale plano contact lenses, as defined in subdivision (c) of Section 2541, to represent by any means that those lenses may be lawfully obtained without an eye examination or confirmation of a valid prescription, or may be dispensed or furnished to a purchaser without complying with the requirements of Section 2562, except as provided in Chapter 5.45 (commencing with Section 2546).

"Temporary practice" is defined as the practice of optometry at locations other than the optometrist's principal place of practice for not more than five calendar days during a 30-day period, and not more than 36 days within a calendar year. This limitation shall apply to all practice locations where the licensed optometrist is engaging in temporary practice, not to each practice location individually. If the time period of the temporary practice needs to be extended for any reason, the licensed optometrist shall submit an application for a statement of licensure to the board pursuant to Section 1506 of Title 16 of the California Code of Regulations.

(c) Notwithstanding Section 3075, an optometrist engaging in the temporary practice of optometry at a location described in subdivision (b) shall carry and present upon demand evidence of his or her licensure but shall not be required to post his or her current license or other evidence of current license status issued by the board.

(d) In addition to the information required by Section 3076, a receipt issued to a patient by an optometrist or other evidence of current license status issued by the board, a licensed optometrist shall obtain a statement of licensure to practice at any health facility or residential care facility, that meets all of the following requirements:

The disclosure of records shall be made at or near the time services are rendered and shall be maintained at the primary business office specified in paragraph (1).
   (B) The optometrist complies with all federal and state laws and regulations regarding the maintenance and protection of medical records, including, but not limited to, the federal Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. Sec. 300gg).
   (C) Pursuant to Section 3007, the optometrist keeps all necessary records for a minimum of seven years from the date of service in order to disclose fully the extent of services furnished to a patient. Any information included on a printed copy of an original document to a patient shall be certified by the optometrist as being true, accurate, and complete.
   (D) If a prescription is issued to a patient, records shall be maintained for each prescription as part of the

An optometrist shall post in each location where he or she practices optometry, in an area that is likely to be seen by all patients who use the office, his or her current license or other evidence of current license status issued by the board. §3076. PROVIDING A RECEIPT TO A PATIENT

A licensed optometrist shall deliver to each patient that makes a payment to the practice, excluding insurance copayments and deductibles, a receipt that contains all of the following information:

(a) His or her name.

(b) The number of his or her optometrist license.

(c) His or her place of practice.

(d) A description of the goods and services for which the patient is charged and the amount charged.

§3077. BRANCH OFFICE LICENSES

As used in this section "office" means any office or other place for the practice of optometry.

(a) No person, singly or in combination with others, may have an office unless he or she is licensed to practice optometry under this chapter.

(b) An optometrist, or two or more optometrists jointly, may have one office without obtaining a branch office license from the board.

(c) On and after October 1, 1959, no optometrist, and no two or more optometrists jointly, may have more than one office unless he or she or they comply with the provisions of this chapter as to an additional office. The additional office, for the purposes of this chapter, constitutes a branch office.

(d) Any optometrist who has, or any two or more optometrists, jointly, who have, a branch office prior to January 1, 1957, and who desire to continue the branch office on or after that date shall notify the board in writing of that desire in a manner prescribed by the board.

(e) On and after January 1, 1957, any optometrist, or any two or more optometrists, jointly, who desire to open a branch office shall notify the board in writing in a manner prescribed by the board.

(f) On and after January 1, 1957, no branch office may be opened or operated without a branch office license. Branch office licenses shall be valid for the calendar year in or for which they are issued and shall be renewable on January 1 of each year thereafter. Branch office licenses shall be issued or renewed only upon the payment of the fee therefor prescribed by this chapter.

On or after October 1, 1959, no more than one branch office license shall be issued to any optometrist or to any two or more optometrists, jointly.

(g) Any failure to comply with the provisions of this chapter relating to branch offices or branch office licenses as to any branch office shall work the suspension of the optometrist license of each optometrist who, individually or with others, has a branch office. An optometrist license so suspended shall not be restored except upon compliance with those provisions and the payment of the fee prescribed by this chapter for restoration of a license after suspension for failure to comply with the provisions of this chapter relating to branch offices.

(h) The holder or holders of a branch office license shall pay the annual renewal fee therefor in the amount required by this chapter between the first day of January and the first day of February of each year. The failure to
pay the fee in advance on or before February 1 of each year during the time it is in force shall ipso facto work the suspension of the branch office license. The license shall not be restored except upon written application and the payment of the penalty prescribed by this chapter, and, in addition, all delinquent branch office fees.

(i) Nothing in this chapter shall limit or authorize the board to limit the number of branch offices that are in operation on October 1, 1959, and that conform to this chapter, nor prevent an optometrist from acquiring any branch office or offices of his or her parent. The sale after October 1, 1959, of any branch office shall terminate the privilege of operating the branch office, and no new branch office license shall be issued in place of the license issued for the branch office, unless the branch office is the only one operated by the optometrist or by two or more optometrists jointly.

Nothing in this chapter shall prevent an optometrist from owning, maintaining, or operating more than one branch office if he or she is in personal attendance at each of his or her offices 50 percent of the time during which the office is open for the practice of optometry.

(j) The board shall have the power to adopt, amend, and repeal rules and regulations to carry out the provisions of this section.

(k) Notwithstanding any other provision of this section, neither an optometrist nor an individual practice association shall be deemed to have an additional office solely by reason of the optometrist’s participation in an individual practice association or the individual practice association’s creation or operation. As used in this subdivision, the term “individual practice association” means an entity that meets all of the following requirements:

(1) Complies with the definition of an optometric corporation in Section 3160.

(2) Operates primarily for the purpose of securing contracts with health care service plans or other third-party payers that make available eye/vision services to enrollees or subscribers through a panel of optometrists.

(3) Contracts with optometrists to serve on the panel of optometrists, but does not obtain an ownership interest in, or otherwise exercise control over, the respective optometric practices of those optometrists on the panel.

Nothing in this subdivision shall be construed to exempt an optometrist who is a member of an individual practice association and who practices optometry in more than one physical location, from the requirement of obtaining a branch office license for each of those locations, as required by this section. However, an optometrist shall not be required to obtain a branch office license solely as a result of his or her participation in an individual practice association in which the members of the individual practice association practice optometry in a number of different locations, and each optometrist is listed as a member of that individual practice association.

Amended by Stats. 2013, Ch. 473, Sec. 10. Effective January 1, 2014.

§3078. USE OF FICTITIOUS NAMES; PERMITS

(a) It is unlawful to practice optometry under a false or assumed name, or to use a false or assumed name in connection with the practice of optometry, or to make use of any false or assumed name in connection with the name of a person licensed pursuant to this chapter. However, the board may issue written permits authorizing an individual optometrist or an optometric group or optometric corporation to use a name specified in the permit in connection with its practice if, and only if, the board finds to its satisfaction all of the following:

(1) The place or establishment, or the portion thereof, in which the applicant or applicants practice, is owned or leased by the applicant or applicants, and the practice conducted at that place or establishment, or portion thereof, is wholly owned and entirely controlled by the applicant or applicants. However, if the applicant or applicants are practicing optometry in a community clinic, as defined in subdivision (a) of Section 1204 of the Health and Safety Code, this subdivision shall not apply.

(2) The name under which the applicant or applicants propose to operate is in the judgment of the board not deceptive or inimical to enabling a rational choice for the consumer public and contains at least one of the following designations: “optometry” or “optometric.” However, if the applicant or applicants are practicing optometry in a community clinic, as defined in subdivision (a) of Section 1204 of the Health and Safety Code, this subdivision shall not apply. In no case shall the name under which the applicant or applicants propose to operate contain the name or names of any of the optometrists practicing in the community clinic.

(3) The names of all optometrists practicing at the location designated in the application are displayed in a conspicuous place for the public to see, not only at the location, but also in any advertising permitted by law.

(4) No charges that could result in revocation or suspension of an optometrist’s license to practice optometry are pending against any optometrist practicing at the location.

(b) Permits issued under this section by the board shall expire and become invalid unless renewed at the times and in the manner provided in Article 7 (commencing with Section 3145) for the renewal of licenses issued under this chapter.

(c) A permit issued under this section may be revoked or suspended at any time that the board finds that any one of the requirements for original issuance of a permit, other than under paragraph (4) of subdivision (a), is no longer being fulfilled by the individual optometrist, optometric corporation, or optometric group to whom the permit was issued. Proceedings for revocation or suspension shall be governed by the Administrative Procedure Act.

(d) If the board revokes or suspends the license to practice optometry of an individual optometrist or any member of a corporation or group to whom a permit has been issued under this section, the revocation or suspension shall also constitute revocation or suspension, as the case may be, of the permit.

No optometrist shall advertise or otherwise hold himself or herself out to be a specialist in eye disease and the treatment thereof.

The terms “accepting employment to practice optometry” as used in this section shall not be construed so as to prevent a licensed optometrist from practicing optometry upon an individual patient. Notwithstanding the provisions of this section or the provisions of any other law, a licensed optometrist may be employed to practice optometry by a physician and surgeon who holds a license under this division and who practices in the specialty of ophthalmology or by a health care service plan pursuant to the provisions of Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code.

Added Stats 1977 ch 299 § 1.

§17202. INJUNCTIVE RELIEF; COURT ORDERS
Any person who engages, has engaged, or proposes to engage in unfair competition may be enjoined in any court of competent jurisdiction. The court may make such orders or judgments, including the appointment of a receiver, as may be necessary to prevent the use or employment by any person of any practice which constitutes unfair competition, as defined in this chapter, or as may be necessary to restore to any person in interest any money or property, real or personal, which may have been acquired by means of such unfair competition. Any person may pursue representative claims or relief on behalf of others only if the claimant meets the standing requirements of Section 17204 and complies with Section 382 of the Code of Civil Procedure, but these limitations do not apply to claims brought under this chapter by the Attorney General, or any district attorney, county counsel, city attorney, or city prosecutor in this state.
§17206. CIVIL PENALTY FOR VIOLATION OF CHAPTER
(a) Any person who engages, has engaged, or proposes to engage in unfair competition shall be liable for a civil penalty not to exceed two thousand five hundred dollars ($2,500) for each violation, which shall be assessed and recovered in a civil action brought in the name of the people of the State of California by the Attorney General, by any district attorney, by any county counsel authorized by agreement with the district attorney in actions involving violation of a county ordinance, by any city attorney of a city having a population in excess of 750,000, by any city attorney of any city and county, or, with the consent of the district attorney, by a city prosecutor in any city having a full-time city prosecutor, in any court of competent jurisdiction.

(b) The court shall impose a civil penalty for each violation of this chapter. In assessing the amount of the civil penalty, the court shall consider any one or more of the relevant circumstances presented by any of the parties to the case, including, but not limited to, the following: the nature and seriousness of the misconduct, the number of violations, the persistence of the misconduct, the length of time over which the misconduct occurred, the willfulness of the defendant’s misconduct, and the defendant’s assets, liabilities, and net worth.

(c) If the action is brought by the Attorney General, one-half of the penalty collected shall be paid to the treasurer of the county in which the judgment was entered, and one-half to the General Fund. If the action is brought by a district attorney or county counsel, the penalty collected shall be paid to the treasurer of the county in which the judgment was entered. Except as provided in subdivision (e), if the action is brought by a city attorney or city prosecutor, one-half of the penalty collected shall be paid to the treasurer of the city in which the judgment was entered, and one-half to the treasurer of the county in which the judgment was entered. The aforementioned funds shall be for the exclusive use by the Attorney General, the district attorney, the county counsel, and the city attorney for the enforcement of consumer protection laws.

(d) The Unfair Competition Law Fund is hereby created as a special account within the General Fund in the State Treasury. The portion of penalties that is payable to the General Fund or to the Treasurer recovered by the Attorney General from an action or settlement of a claim made by the Attorney General pursuant to this chapter or Chapter 1 (commencing with Section 17500) of Part 3 shall be deposited into this fund. Moneys in this fund, upon appropriation by the Legislature, shall be used by the Attorney General to support investigations and prosecutions of California’s consumer protection laws, including implementation of judgments obtained from such prosecutions or investigations and other activities which are in furtherance of this chapter or Chapter 1 (commencing with Section 17500) of Part 3. Notwithstanding Section 13340 of the Government Code, any civil penalties deposited in the fund pursuant to the National Mortgage Settlement, as provided in Section 12531 of the Government Code, are continuously appropriated to the Department of Justice for the purpose of offsetting General Fund costs incurred by the Department of Justice.

(e) If the action is brought at the request of a board within the Department of Consumer Affairs or a local consumer affairs agency, the court shall determine the reasonable expenses incurred by the board or local agency in the investigation and prosecution of the action. Before any penalty collected is paid out pursuant to subdivision (c), the amount of any reasonable expenses incurred by the board shall be paid to the Treasurer for deposit in the special fund of the board described in Section 205. If the board has no such special fund, the moneys shall be paid to the Treasurer. The amount of any reasonable expenses incurred by a local consumer affairs agency shall be paid to the general fund of the municipality or county that funds the local agency.

(f) If the action is brought by a city attorney of a city and county, the entire amount of the penalty collected shall be paid to the treasurer of the city and county in which the judgment was entered for the exclusive use by the city attorney for the enforcement of consumer protection laws. However, if the action is brought by a city attorney of a city and county for the purposes of civil enforcement pursuant to Section 17980 of the Health and Safety Code or Article 3 (commencing with Section 11570) of Chapter 10 of Division 10 of the Health and Safety Code, either the penalty collected shall be paid entirely to the treasurer of the city and county in which the judgment was entered or, upon the request of the city attorney, the court may order that up to one-half of the penalty, under court supervision and approval, be paid for the purpose of restoring, maintaining, or enhancing the premises that were the subject of the action, and that the balance of the penalty be paid to the treasurer of the city and county.

§17206.1. ADDITIONAL CIVIL PENALTY; ACTS AGAINST SENIOR CITIZENS OR DISABLED PERSONS
(a) (1) In addition to any liability for a civil penalty pursuant to Section 17206, a person who violates this chapter, and the act or acts of unfair competition are perpetrated against one or more senior citizens or disabled persons, may be liable for a civil penalty not to exceed two thousand five hundred dollars ($2,500) for each violation, which may be assessed and recovered in a civil action as prescribed in Section 17206.

(2) Subject to subdivision (d), any civil penalty shall be paid as prescribed by subdivisions (b) and (c) of Section 17206.

(b) As used in this section, the following terms have the
following meanings:

(1) “Senior citizen” means a person who is 65 years of age or older.

(2) “Disabled person” means a person who has a physical or mental impairment that substantially limits one or more major life activities.

(A) As used in this subdivision, “physical or mental impairment” means any of the following:

(i) A physiological disorder or condition, cosmetic disfigurement, or anatomical loss substantially affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; or endocrine.

(ii) A mental or psychological disorder, including intellectual disability, organic brain syndrome, emotional or mental illness, and specific learning disabilities.

“Physical or mental impairment” includes, but is not limited to, diseases and conditions including orthopedic, visual, speech, and hearing impairment, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, intellectual disability, and emotional illness.

(B) “Major life activities” means functions that include caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

(c) In determining whether to impose a civil penalty pursuant to subdivision (a) and the amount thereof, the court shall consider, in addition to any other appropriate factors, the extent to which one or more of the following factors are present:

(1) Whether the defendant knew or should have known that his or her conduct was directed to one or more senior citizens or disabled persons.

(2) Whether the defendant’s conduct caused one or more senior citizens or disabled persons to suffer any of the following: loss or encumbrance of a primary residence, principal employment, or source of income; substantial loss of property set aside for retirement, or for personal or family care and maintenance; or substantial loss of payments received under a pension or retirement plan or a government benefits program, or assets essential to the health or welfare of the senior citizen or disabled person.

(3) Whether one or more senior citizens or disabled persons are substantially more vulnerable than other members of the public to the defendant’s conduct because of age, poor health or infirmity, impaired understanding, restricted mobility, or disability, and actually suffered substantial physical, emotional, or economic damage resulting from the defendant’s conduct.

(d) A court of competent jurisdiction hearing an action pursuant to this section may make orders and judgments as necessary to restore to a senior citizen or disabled person money or property, real or personal that may have been acquired by means of a violation of this chapter. Restitution ordered pursuant to this subdivision shall be given priority over recovery of a civil penalty designated by the court as imposed pursuant to subdivision (a), but shall not be given priority over a civil penalty imposed pursuant to subdivision (a) of Section 17206. If the court determines that full restitution cannot be made to those senior citizens or disabled persons, either at the time of judgment or by a future date determined by the court, then restitution under this subdivision shall be made on a pro rata basis depending on the amount of loss.

§17207. VIOLATION OF INJUNCTION

(a) Any person who intentionally violates any injunction prohibiting unfair competition issued pursuant to Section 17203 shall be liable for a civil penalty not to exceed six thousand dollars ($6,000) for each violation. Where the conduct constituting a violation is of a continuing nature, each day of that conduct is a separate and distinct violation. In determining the amount of the civil penalty, the court shall consider all relevant circumstances, including, but not limited to, the extent of the harm caused by the conduct constituting a violation, the nature and persistence of that conduct, the length of time over which the conduct occurred, the assets, liabilities, and net worth of the person, whether corporate or individual, and any corrective action taken by the defendant.

(b) The civil penalty prescribed by this section shall be assessed and recovered in a civil action brought in any county in which the violation occurs or where the injunction was issued in the name of the people of the State of California by the Attorney General or by any district attorney, any county counsel authorized by agreement with the district attorney in actions involving violation of a county ordinance, or any city attorney in any court of competent jurisdiction within his or her jurisdiction without regard to the county from which the original injunction was issued. An action brought pursuant to this section to recover civil penalties shall take precedence over all civil matters on the calendar of the court except those matters to which equal precedence on the calendar is granted by law.

(c) If such an action is brought by the Attorney General, one-half of the penalty collected pursuant to this section shall be paid to the treasurer of the county in which the judgment was entered, and one-half to the State Treasurer. If brought by a district attorney or county counsel the entire amount of the penalty collected shall be paid to the treasurer of the county in which the judgment is entered. If brought by a city attorney or city prosecutor, one-half of the penalty shall be paid to the treasurer of the county in which the judgment was entered and one-half to the city, except that if the action was brought by a city attorney of a city and county the entire amount of the penalty collected shall be paid to the
treasurer of the city and county in which the judgment is enterred.

(d) If the action is brought at the request of a board within the Department of Consumer Affairs or a local consumer affairs agency, the court shall determine the reasonable expenses incurred by the board or local agency in the investigation and prosecution of the action. Before any penalty collected is paid out pursuant to subsection (c), the amount of the reasonable expenses incurred by the board shall be paid to the State Treasurer for deposit in the special fund of the board described in Section 205. If the board has no such special fund, the moneys shall be paid to the State Treasurer. The amount of the reasonable expenses incurred by a local consumer affairs agency shall be paid to the general fund of the municipality or county which funds the local agency.

(b) Notice of Termination. The Board shall provide both the sponsoring entity or local government entity and the out-of-state practitioner with a written notice of the termination, including the basis for the termination. (d) Appeal of Termination. An out-of-state practitioner may appeal the Board's decision to terminate an authorization in the manner provided by section 901(j) of the code. The request for an appeal shall be considered a request for an informal hearing under the Administrative Procedure Act.

(e) Informal Conference Option. In addition to requesting a hearing, the out-of-state practitioner may request an informal conference with the Executive Officer regarding the reasons for the termination of authorization to participate. The Executive Officer shall, within 30 days from receipt of the request, hold an informal conference with the out-of-state practitioner. At the conclusion of the informal conference, the Executive Officer or his or her designee may affirm or dismiss the termination of authorization to participate. The Executive Officer shall state in writing the reasons for his or her action and mail a copy of his or her findings and decision to the out-of-state practitioner within 10 days from the date of the informal conference. The out-of-state practitioner does not waive his or her request for a hearing to contest a termination of authorization by requesting an informal conference. If the termination is dismissed after the informal conference, the request for a hearing shall be deemed to be withdrawn.

History
1. New section filed 11-17-76; effective thirtieth day thereafter (Register 76, No. 47).
§1520. INFECTION CONTROL GUIDELINES

(a) Optometrists and staff, which also includes assistants in the office of an optometrist, must comply with all the applicable Standard Precautions.

(b) Standard Precautions combine the major features of Universal Precautions and Body Substance Isolation and are based on the principle that all blood, body fluids, secretions, excretions (except sweat), non-intact skin, and mucus membranes may contain transmissible infectious agents. All contact with these substances is treated as if known to be infectious for Human Immunodeficiency Virus (HIV), Hepatitis, and other transmissible infectious agents. Standard Precautions are also intended to protect patients by ensuring that optometric staff do not carry infectious agents to patients on their hands or via equipment used when providing optometric services. Standard Precautions must be used in the care of all patients, regardless of suspected or confirmed infection status, and in all settings wherein optometric services are provided. Standard Precautions include:

1. **Proper Hand Hygiene**
   - (A) Each office shall have a hand washing facility that is entirely within the confines of the premises or space occupied by such office and not elsewhere, and which shall be for the exclusive use of the optometrist or optometric staff practicing in such office and his/her or their assistants and patients and shall not be used by other persons.
   - (B) For the purpose of this section, a hand washing facility is a facility affording, at minimum, the following:
     1. A wash basin or sink with hot and cold running water which complies with Title 24, California Administrative Code, Part 5 (commencing with Section P100).
     2. Liquid hand washing detergent in a dispensing device.
     3. Single service sanitary towels in a dispensing device or a sanitary hot-air blow hand drying apparatus.
   - (C) Hand washing facilities shall be maintained in a condition of cleanliness and good repair.
   - (D) The optometrists and staff shall maintain at all times a high standard of cleanliness and personal hygiene in order to ensure proper patient care.
   - (E) The optometrists and staff shall avoid unnecessary touching of face, nose, and surfaces in close proximity to the patient to prevent both contamination of clean hands from environmental surfaces and transmission of pathogens from contaminated hands to surfaces, when providing optometric services.
   - (F) When hands are visibly soiled, hands shall be washed with soap and water for a 20-second scrub and 10-second rinse or an antimicrobial hand wash. If hands are not visibly soiled, an acceptable alternative of hand decontamination is with an alcohol-based hand rub (except in cases of spores, as described below).

2. **Use of Personal Protective Equipment**
   - (A) The optometrists and staff must routinely use gloves to prevent skin exposure when anticipating direct contact with blood or body fluids, mucous membranes, nonintact skin, and other potentially infectious material or surfaces soiled with such fluids.
   - (B) The optometrists and staff shall discard gloves after contact with each patient to prevent transmission of infectious material.
   - (C) The optometrists and staff shall change gloves if patient interaction involves touching portable computer keyboards or other mobile equipment that is transported from room to room.
   - (D) The optometrists and staff shall not reuse gloves.
   - (E) The optometrists and staff must wear masks, gloves and protective eye wear in situations where blood, respiratory secretions, or contaminated fluids may be sprayed or splashed into the eyes of an optometrist or staff member.
   - (F) The optometrists and staff must wear masks, gloves and protective eye wear if the optometrist, staff or patient is known or suspected to have a pathogen, which can be transmitted by airborne, contact or droplet routes. If an optometrist or staff member is infected with a pulmonary or other disease that is transmitted by airborne, contact or droplet routes, then that optometrist or staff member must wear a mask, gloves and protective eyewear to protect the patient.

3. **Airborne Routes**
   - (G) Hands shall be washed or decontaminated as follows:
     1. Before having direct contact with any patient, immediately after a procedure (such as eye examinations or other procedures involving contact with tears), and in between patients.
     2. After removing gloves, ensure that hands will not carry potential infectious material that might have penetrated through unrecognized cuts or lacerations in the gloves, or that could contaminate the hands during glove removal.
     3. Artificial fingernails or extenders shall not be worn if duties include direct contact with patients at high risk for infection and associated adverse outcomes.
   - (H) After each patient session ends, hands must be washed with soap and water or an antimicrobial hand wash if contact with spores (including but not limited to C. difficile or Bacillus anthracis) is likely to have occurred. The physical action of washing and rinsing hands in such circumstances is required because alcohols, chlorhexidine, iodophors, and other antiseptic agents have poor activity against spores.
   - (I) If an optometrist or staff member has exudative lesions or weeping dermatitis of the hand, direct patient care and the handling of patient care equipment by the person with the condition must stop until the condition resolves.

4. **Episodic Infection**
   - (J) If an optometrist or staff member has an episode of exudative dermatitis of the hands, he or she shall await the resolution of the condition and shall properly wash or decontaminate his or her hands before resuming patient contact.

5. **Noise & Air Blower Hand Drying Apparatus**
   - (K) The optometrists and staff shall use a noise and air blow hand drying apparatus, or other acceptable means of hand drying, immediately after rinsing hands in such circumstances is required because alcohols, chlorhexidine, iodophors, and other antiseptic agents have poor activity against spores.
(G) Protective eyewear must be washed and disinfected between each patient or when visibly soiled.

(3) Handling of Sharp Instruments

(A) Precautions must be taken in order to prevent injuries caused by needles, scalpels, and other sharp instruments or devices when:
1. Performing procedures, including but not limited to venipuncture;
2. Cleaning used instruments;
3. Disposing of used needles; and
4. Handling sharp instruments after procedures.

(B) To prevent needle stick injuries, optometrists and staff shall be instructed in the proper handling of needles, including but not limited to when needles must not be recapped, or purposely bent or broken by hand, removed from disposable syringes, or otherwise manipulated by hand.

(C) Optometrists and staff must be instructed to place disposable syringes and needles, scalpel blades and other sharp items in puncture resistant containers following their use. Puncture resistant containers shall be provided and shall be located as close as practical to the area where needles and syringes are in use.

(D) Pursuant to Cal/OSHA’s Bloodborne Pathogens Standard, Title 8, Cal. Code Regs., Section 5193, employers governed by this rule must establish, maintain, review and update at least annually and whenever necessary their Exposure Control Plan to reflect changes in technology that eliminate or reduce exposure to bloodborne pathogens, and establish and maintain a Sharps Injury Log. This rule applies to all employers with employees who have occupational exposure to blood or other potentially infectious materials.

(E) Optometrists and staff shall adhere to all federal and state requirements for handling of sharp instruments (including but not limited to the Medical Waste Management Act, California Health and Safety Code sections 117600-118360).

(4) Disinfection Requirements

(A) Germicides and/or disinfectants must be used in order to eliminate most of all pathogenic microorganisms from inanimate objects, such as medical devices or equipment. If there are questions on how to disinfect a particular medical device, the office may contact the manufacturer of the product.

(B) Contact lenses and carrying cases used in trial and follow-up fittings shall be handled in the following manner:
1. Discarding the trial contact lenses is recommended. This procedure however is inapplicable to rigid gas permeable and non-disposable hydrogel trial contact lenses.
2. Disinfecting between each fitting by one of the following regimens:
   a. U.S. Food and Drug Administration (FDA) approved chemical disinfection system appropriate for the contact lens type.
   b. Heat disinfection.

(C) When using eye drops, optometrists and assistants shall not permit the bottle tip to come into direct contact with the patient’s tears or conjunctiva. If the tip touches the patient, the bottle shall be discarded.

(D) Optometrists and staff shall follow employer-established policies and procedures for routine and targeted cleaning of environmental surfaces as indicated by the service-delivery setting, the level of patient contact, and degree of soiling.

(E) Optometrists and staff shall clean and disinfect surfaces that are likely to be contaminated with pathogens, especially those in close proximity to the patient and frequently touched surfaces in the patient care environment.

(c) Optometrists and staff shall comply with all minimum standards for infection control practices issued by local, state, and federal governmental agencies in response to emergency health and safety situations.

Such course work shall be subject to Board approval. Up to eight hours of course work may be in the area of patient care management or ethics in the practice of optometry. Business management courses are not accepted by the Board.

(b) An optometrist certified to use therapeutic pharmaceutical agents pursuant to Business and Professions Code Section 3041.3 shall complete a total of 50 hours of continuing optometric education every two years in order to renew his or her license. Thirty-five of the required 50 hours of continuing optometric education shall be on the diagnosis, treatment and management of ocular disease and consistent with Business and Professions Code section 3059, subdivision (e).

(c) Up to 20 hours of required biennial course work may be accomplished by using any or all of the following alternative methods:

(1) Documented and accredited self study through correspondence or an electronic medium.

(2) Teaching of continuing optometric education courses if attendance at such course would also qualify for such credit, providing none are duplicate courses within the two-year period.

(3) Writing articles that have been published in optometric journals, magazines or newspapers, pertaining to the practice of optometry (or in other scientific, learned, refereed journals on topics pertinent to optometry), providing no articles are duplicates. One hour of credit will be granted for each full page of printing or the equivalent thereof.

(4) A full day’s attendance at a California State Board of Optometry Board meeting. Up to two credit hours shall be granted for a full day.

(5) Completion of a course to receive certification in cardiopulmonary resuscitation (CPR) from the American Red Cross, the American Heart Association, or other association approved by the Board. Up to four credit hours shall be granted for this course.

(d) A credit hour is defined as one classroom hour, usually a 50-minute period, but no less than that.

§ 1571. REQUIREMENTS FOR GLAUCOMA CERTIFICATION
(a) Only optometrists meeting the requirements of this Article may apply for certification for the treatment of glaucoma as described in subdivision (j) of Section 3041, in patients over 18 years of age. The optometrist shall:

1. Hold an active license as an optometrist in California in good standing with the State Board of Optometry (Board);
2. Be certified to use Therapeutic Pharmaceutical Agents (TPA) pursuant to Section 3041.3;
3. Complete a didactic course of no less than 24 hours in the diagnosis, pharmacological and other treatment and management of glaucoma. The following topics may be covered in the course:
   (A) Anatomy and physiology of glaucoma
   (B) Classification of glaucoma
   (C) Pharmacology in glaucoma therapy
   (D) Diagnosis of glaucoma including risk factors analysis
   (E) Medical and surgical treatment
   (F) Participant performance assessment; and
4. Complete a Case Management Requirement where a minimum of 25 individual patients are each prospectively treated for a minimum of 12 consecutive months. For purposes of this section, “treat” means properly evaluating the patient, performing all necessary tests, diagnosing the patient, recognizing the type of glaucoma within a licensee's scope of practice, creating a treatment plan with proposed medications and target pressures, ongoing monitoring and reevaluation of the patient's condition, and making timely referrals to an ophthalmologist when appropriate. The following options may be chosen in any combination to fulfill this requirement:

   (A) Case Management Course: Completion of a 16-hour case management course developed cooperatively by the accredited California schools and colleges of optometry and approved by the Board, with at least 15 cases of moderate to advanced complexity. The course may be conducted live, over the Internet, or by use of telemedicine. One hour of the program will be used for a final competency examination. Although the Case Management Course does not involve treatment of patients, completion of the 16-hour Case Management Course is equivalent to prospectively treating 15 individual patients for 12 consecutive months. Therefore, completion of the 16-hour Case Management Course will count as a 15-patient credit towards the Case Management Requirement. The full course must be completed to receive the 15-patient credit. The course must include the following topics/conditions:

   1. Presentation of conditions/cases that licensees may treat:
      a. All primary open-angle glaucoma;
      b. Exfoliation and pigmentary glaucoma.

   2. Presentation of conditions/cases that licensees may not treat, but must recognize and refer to the appropriate physician and/or surgeon such as:
      a. Pseudoglaucoma with vascular, malignant, or compressive etiologies;
      b. Secondary glaucoma;
      c. Traumatic glaucoma;
      d. Infective or inflammatory glaucoma;
      e. Appropriate evaluation and analysis for medical or surgical consultation;
      f. In an emergency, if possible, stabilization of acute attack of angle closure and immediate referral of the
patient.

(B) Grand Rounds Program: Completion of a 16-hour grand rounds program developed cooperatively by the accredited California schools and colleges of optometry and approved by the Board, wherein participants will evaluate and create a management plan for live patients. Completion of the 16-hour Grand Rounds Program is equivalent to prospectively treating 15 individual patients for 12 consecutive months. Therefore, the 16-hour Grand Rounds Program will count as a 15-patient credit towards the Case Management Requirement. The full program must be completed to receive the 15-patient credit.

Patients must be evaluated in person. The program must include the following:

1. Presentation of various patient types such as: glaucoma suspects; narrow angle, primary open angle glaucoma (early, moderate, late); and secondary open angle glaucoma such as pigment dispersion and pseudoexfoliation. Patient data, including but not limited to, visual acuities, intraocular pressures, visual fields, imaging, and pachymetry, will be available on-site and presented upon request;

2. Examination of patients, evaluation of data and test results, and commitment to a tentative diagnosis, treatment, and management plan;

3. Participation in group discussion of the cases with instructor feedback;

4. Attendance of follow-up meetings (within the 16-hour program requirement) where the same or different patients will be reviewed via serial data, including but not limited to visual fields and imaging photos.

(C) Preceptorship Program: Completion of a preceptorship program where each patient must be initially evaluated by the licensee and co-managed with a preceptor. Each patient must be prospectively treated for a minimum of 12 consecutive months. A preceptor for purposes of this section is defined as:

1. A California licensed, Board certified ophthalmologist in good standing; or

2. A California licensed optometrist in good standing, who has been glaucoma certified for two or more years.

Preceptors shall confirm the diagnosis and treatment plan, and then approve the therapeutic goals and management plan for each patient. Consultation with the preceptor must occur at appropriate clinical intervals or when the therapeutic goals are not achieved. Clinical data will be exchanged at appropriate intervals determined by the preceptor and the licensee.

Telemedicine and electronic exchange of information may be used as agreed upon by the preceptor and the licensee. Each patient that is seen by the optometrist in the program will count as a 1-patient credit towards the Case Management Requirement.

(b) Licensees that are glaucoma certified pursuant to this Section shall be required to complete 10 hours of glaucoma specific optometric continuing education every license renewal period. These 10 hours shall be part of the required 35 hours on the diagnosis, treatment and management of ocular disease.

(c) Licensees who completed their education from an accredited school or college of optometry on or after May 1, 2008, are exempt from the didactic course and case management requirements of this Section, provided they submit proof of graduation from that institution to the Board.

(d) Licensees who graduated from an accredited school or college of optometry prior to May 1, 2000, and who have not completed a didactic course of no less than 24 hours will be required to take the 24-hour course indicated in subsection (a). Licensees who graduated from an accredited school or college of optometry after May 1, 2000, are exempt from the didactic course requirement of this Section.

(e) Licensees who graduated from an accredited school or college of optometry prior to May 1, 2008, and who have taken a didactic course of no less than 24 hours, but not completed the case management requirement under SB 929 [Stats. 2000, ch. 676, § 3], will be required to complete the Case Management Requirement indicated in subsection (a).

(f) Licensees who started the process for certification to treat glaucoma under SB 929 [Stats. 2000, ch. 676, § 3] but will not complete the requirements by December 31, 2009, may apply all patients who have been co-managed prospectively for at least 12 consecutive months towards the Case Management Requirement indicated in subsection (a).

provided, however, that such a name shall not be substantially the same as the name of a domestic corporation, the name of a foreign corporation qualified to render professional services in the state, or a name that is under reservation for another corporation. §6251. CITATION OF CHAPTER
This chapter shall be known and may be cited as the California Public Records Act.

Added Stats 1968 ch 1473 § 39.

§6252. DEFINITIONS
As used in this chapter:
(a) "Local agency" includes a county; city, whether general law or chartered; city and county; school district; municipal corporation; district; political subdivision; or any board, commission or agency thereof; other local public agency; or entities that are legislative bodies of a local agency pursuant to subdivisions (c) and (d) of Section 54952.

(c) "Person" includes any natural person, corporation, partnership, limited liability company, firm, or association.

(d) "Public agency" means any state or local agency.

(e) "Public records" includes any writing containing information relating to the conduct of the public's business prepared, owned, used, or retained by any state or local agency regardless of physical form or characteristics. (f) "State agency" means every state office, officer, department, division, bureau, board, and commission or other state body or agency, except those agencies provided for in Article IV (except Section 20 thereof) or Article VI of the California Constitution.

(g) "Writing" means any handwriting, typewriting, printing, photostating, photographing, photocopying, transmitting by electronic mail or facsimile, and every other means of recording upon any tangible thing any form of communication or representation, including letters, words, pictures, sounds, or symbols, or combinations thereof, and any record thereby created, regardless of the manner in which the record has been stored.

§6253. TIME FOR INSPECTION OF PUBLIC RECORDS; "UNUSUAL CIRCUMSTANCES"
(a) Public records are open to inspection at all times during the office hours of the state or local agency and every person has a right to inspect any public record, except as hereafter provided. (b) Except with respect to public records exempt from disclosure by express provisions of law, each state or local agency, upon a request for a copy of records that reasonably describes an identifiable record or records, shall make the records promptly available to any person upon payment of fees covering direct costs of duplication, or a statutory fee if applicable. Upon request, an exact copy shall be provided unless impracticable to do so.

(c) Each agency, upon a request for a copy of records, shall, within 10 days from receipt of the request, determine whether the request, in whole or in part, seeks copies of disclosable public records in the possession of the agency and shall promptly notify the person making the request of the determination and the reasons therefor. In unusual circumstances, the time limit prescribed in this section may be extended by written notice by the head of the agency or his or her designee to the person making the request, setting forth the reasons for the extension and the date on which a determination is expected to be dispatched. determination, and if the agency determines that the request seeks disclosable public records, the agency shall state the estimated date and time when the records will be made available. As used in this section, “unusual circumstances” means the following, but only to the extent reasonably necessary to the proper processing of the particular request:

(4) The need to compile data, to write programming language or a computer program, or to construct a computer report to extract data.

(d) Nothing in this chapter shall be construed to permit an agency to delay or obstruct the inspection or copying of public records. The notification of denial of any request for records required by Section 6255 shall set forth the names and titles or positions of each person responsible for the denial.

(e) Except as otherwise prohibited by law, a state or local agency may adopt requirements for itself that allow for faster, more efficient, or greater access to records than prescribed by the minimum standards set forth in this chapter.

(2) Describe the information technology and physical location in which the records exist.

(3) Provide suggestions for overcoming any practical basis for denying access to the records or information sought.

(b) The requirements of paragraph (1) of subdivision (a) shall be deemed to have been satisfied if the public agency is unable to identify the requested information after making a reasonable effort to elicit additional clarifying information from the requester that will help identify the record or records.

(c) The requirements of subdivision (a) are in addition to any action required of a public agency by Section 6253.

(d) This section shall not apply to a request for public records if any of the following applies:

(1) The public agency makes available the requested records pursuant to Section 6253.

(2) The public agency determines that the request should be denied and bases that determination solely on an exemption listed in Section 6254.

(3) The public agency makes available an index of its records.

Added Stats 2001 ch 355 § 3 (AB 1014), effective January 1, 2002.

Except as provided in Sections 6254.7 and 6254.13, this chapter does not require the disclosure of any of the following records:

(a) Preliminary drafts, notes, or interagency or intra-agency memoranda that are not retained by the public agency in the ordinary course of business, if the public interest in withholding those records clearly outweighs the public interest in disclosure.

(b) Records pertaining to pending litigation to which the public agency is a party, or to claims made pursuant to Division 3.6 (commencing with Section 810), until the pending litigation or claim has been finally adjudicated or otherwise settled.

(c) Personnel, medical, or similar files, the disclosure of which would constitute an unwarranted invasion of personal privacy.

However, nothing in this division shall require the disclosure of that portion of those investigative files that reflects the analysis or conclusions of the investigating officer.

Customer lists provided to a state or local police agency by an alarm or security company at the request of the agency shall be construed to be records subject to this subdivision.

Notwithstanding any other provision of this subdivision, state and local law enforcement agencies shall make public the following information, except to the extent that disclosure of a particular item of information would endanger the safety of a person involved in an investigation or would endanger the successful completion of the investigation or a related investigation:

(1) The full name and occupation of every individual arrested by the agency, the individual’s physical description including date of birth, color of eyes and hair, sex, height and weight, the time and date of arrest, the time and date of booking, the location of the arrest, the

(2) Subject to the restrictions imposed by Section 841.5 of the Penal Code, the time, substance, and location of all complaints or requests for assistance received by the agency and the time and nature of the response thereto, including, to the extent the information regarding crimes alleged or committed or any other incident investigated is recorded, the time, date, and location of occurrence, the time and date of the report, the name and age of the victim, the factual circumstances surrounding the crime or incident, and a general description of any injuries, property, or weapons involved. When a person is the victim of more than one crime, information disclosing that the person is a victim of a crime defined in any of the sections of the Penal Code set forth in this subdivision may be deleted at the request of the victim, or the victim’s parent or guardian if the victim is a minor, in making the report of the crime, or of any crime or incident accompanying the crime, available to the public in compliance with the requirements of this paragraph.

(3) Subject to the restrictions of Section 841.5 of the Penal Code and this subdivision, the current address of every individual arrested by the agency and the current address of the victim of a crime, where the requester declares under penalty of perjury that the request is made for a scholarly, journalistic, political, or governmental purpose, or that the request is made for investigation purposes by a licensed private investigator as described in Chapter 11.3 (commencing with Section 7512) of Division 3 of the Business and Professions Code. However, the address of the victim of any crime defined by Section 220, 236.1, 261, 261.5, 262, 264, 264.1, 265, 266, 266a, 266b, 266c, 266e, 266f, 266j, 267, 269, 273a, 273d, 273.5, 285, 286, 288, 288a, 288.2, 288.3 (as added by Chapter 337 of the Statutes of 2006), 288.3 (as added by Section 6 of Proposition 83 of the November 7, 2006, statewide general election), 288.5, 289, 422.6, 422.7, 422.75, 646.9, or 647.6 of the Penal Code shall remain confidential. Address information obtained pursuant to this paragraph may not be used directly or indirectly, or furnished to another, to sell a product or service to any individual or group of individuals, and the requester shall execute a declaration to that effect under penalty of perjury. Nothing in this paragraph shall be construed to prohibit or limit a scholarly, journalistic, political, or government use of address information obtained pursuant to this paragraph.

The exemption in this subdivision shall not apply to records of fines imposed on the borrowers.

The California
Pollution Control Financing Authority shall adopt rules for review of individual requests for confidentiality under this section and for making available to the public those portions of an application that are subject to disclosure under this chapter.

Nothing in this subdivision shall be construed to limit the disclosure duties of a state agency with respect to any other records relating to the activities governed by the employee relations acts referred to in this subdivision.

(q) (1) Records of state agencies related to activities governed by Article 2.6 (commencing with Section 14081), Article 2.8 (commencing with Section 14087.5), and Article 2.91 (commencing with Section 14089) of Chapter 7 of Part 3 of Division 9 of the Welfare and Institutions Code, that reveal the special negotiator’s deliberative processes, discussions, communications, or any other portion of the negotiations with providers of health care services, impressions, opinions, recommendations, meeting minutes, research, work product, theories, or strategy, or that provide instruction, advice, or training to employees.

(2) Except for the portion of a contract containing the rates of payment, contracts for inpatient services entered into pursuant to these articles, on or after April 1, 1984, shall be open to inspection one year after they are fully executed. If the California Medical Assistance Commission enters into contracts with health care providers for other than inpatient hospital services, those contracts shall be open to inspection one year after they are fully executed.

(3) Three years after a contract or amendment is open to inspection under this subdivision, the portion of the contract or amendment containing the rates of payment shall be open to inspection.

(4) Notwithstanding any other law, the entire contract or amendment shall be open to inspection by the Joint Legislative Audit Committee and the Legislative Analyst’s Office. Upon entry of any order pursuant to this section, a party shall, in order to obtain review of the order, file a petition within 20 days after service upon him or her of a written notice of entry of the order, or within such further time not exceeding an additional 20 days as the trial court may for good cause allow. If the notice is served by mail, the period within which to file the petition shall be increased by five days. A stay of the order or judgment shall not be granted unless the petitioning party demonstrates it will otherwise sustain irreparable damage and probable success on the merits. Any person who fails to obey the order of the court shall be cited to show cause why he or she is not in contempt of court.

(d) The court shall award court costs and reasonable attorney fees to the plaintiff should the plaintiff prevail in litigation filed pursuant to this section. The costs and fees shall be paid by the public agency of which the public official is a member or employee and shall not become a personal liability of the public official. §11120. LEGISLATIVE FINDING AND DECLARATION; OPEN PROCEEDINGS; CITATION OF ARTICLE

It is the public policy of this state that public agencies exist to aid in the conduct of the people's business and the proceedings of public agencies be conducted openly so that the public may remain informed.

In enacting this article the Legislature finds and declares that it is the intent of the law that actions of state agencies be taken openly and that their deliberation be conducted openly.

The people of this state do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

(a) Notwithstanding Section 6255 or any other provisions of law, agendas of public meetings and other writings, when distributed to all, or a majority of all, of the members of a state body by any person in connection with a matter subject to discussion or consideration at a public meeting of the body, are disclosable public records under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall be made available upon request without delay. However, this section shall not include any writing exempt from public disclosure under Section 6253.5, 6254, or 6254.7 of this code, or Section 489.1 or 583 of the Public Utilities Code.

(b) Writings that are public records under subdivision (a) and that are distributed to members of the state body prior to or during a meeting, pertaining to any item to be considered during the meeting, shall be made available for public inspection at the meeting if prepared by the state body or a member of the state body, or after the meeting if prepared by some other person. Any state body shall report publicly at a subsequent public meeting any action taken, and any roll call vote thereon, to appoint, employ, or dismiss a public employee arising out of any closed session of the state body.

§11125.3. CONDITIONS FOR TAKING ACTION ON ITEMS NOT APPEARING ON POSTED AGENDA; NOTICE REQUIREMENTS
(a) Notwithstanding Section 11125, a state body may take action on items of business not appearing on the posted agenda under any of the conditions stated below:

(1) Upon a determination by a majority vote of the state body that an emergency situation exists, as defined in Section 11125.5.

(2) Upon a determination by a two-thirds vote of the state body, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there exists a need to take immediate action and that the need for action came to the attention of the state body subsequent to the agenda being posted as specified in Section 11125.

(b) Notice of the additional item to be considered shall be provided to each member of the state body and to all parties that have requested notice of its meetings as soon as is practicable after a determination of the need to consider the item is made, but shall be delivered in a manner that allows it to be received by the members and by newspapers of general circulation and radio or television stations at least 48 hours before the time of the meeting specified in the notice. Notice shall be made available to newspapers of general circulation and radio or television stations by providing that notice to all national press wire services. Notice shall also be made available on the Internet as soon as is practicable after the decision to consider additional items at a meeting has been made.

§11125.4. PERMISSIBLE PURPOSES FOR SPECIAL MEETINGS; NOTICE; FINDING OF HARDSHIP
(a) A special meeting may be called at any time by the presiding officer of the state body or by a majority of the members of the state body. A special meeting may only be called for one of the following purposes when compliance with the 10-day notice provisions of Section 11125 would impose a substantial hardship on the state body or when immediate action is required to protect the public interest:

(1) To consider "pending litigation" as that term is defined in subdivision (e) of Section 11126.

(2) To consider proposed legislation.

(3) To consider issuance of a legal opinion.

(4) To consider disciplinary action involving a state officer or employee.

(5) To consider the purchase, sale, exchange, or lease of real property.

(8) To consider its response to a confidential final draft audit report as permitted by Section 11126.2.

(9) To provide for an interim executive officer of a state body upon the death, incapacity, or vacancy in the office of the executive officer.

(b) When a special meeting is called pursuant to one of the purposes specified in subdivision (a), the state body shall provide notice of the special meeting to each member of the state body and to all parties that have requested notice of its meetings as soon as is practicable after the decision to call a special meeting has been made, but shall deliver the notice in a manner that allows it to be received by the members and by newspapers of general circulation and radio or television stations at least 48 hours before the time of the special meeting specified in the notice. Notice shall be made available to newspapers of general circulation and radio or television stations by providing that notice to all national press wire services. Notice shall also be made available on the Internet within the time periods required by this section. The notice shall specify the time and place of the special meeting and the business to be transacted. The written notice shall additionally specify the address of the Internet Web site where notices required by this article are made available. No other business shall be considered at a special meeting by the state body. The written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the clerk or secretary of the state body a written waiver of notice. The waiver may be given by telegram, facsimile transmission, or similar means. The written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes. Notice shall be required pursuant to this section regardless of whether any action is taken at the special meeting.

(c) At the commencement of any special meeting, the state body must make a finding in open session that the delay necessitated by providing notice 10 days prior to a meeting as required by Section 11125 would cause a substantial hardship on the body or that immediate action is required to protect the public interest. The finding shall set forth the specific facts that constitute the hardship to the body or the impending harm to the public interest. The finding shall be adopted by a two-thirds vote of the body, or, if less than two-thirds of the members are present, a unanimous vote of those members present. The finding shall be made available on the Internet. Failure to adopt the finding terminates the meeting.

§1125.5. EMERGENCY MEETINGS; NOTIFICATION OF MEDIA
(a) In the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, a state body may hold an emergency meeting without complying with the 10-day notice requirement of Section 11125 or the 48-hour notice requirement of Section 11125.4.

(b) For purposes of this section, "emergency situation" means any of the following, as determined by a majority of the members of the state body during a meeting prior to the emergency meeting, or at the beginning of the emergency meeting:
(1) Work stoppage or other activity that severely impairs public health or safety, or both.
(2) Crippling disaster that severely impairs public health or safety, or both.

(c) However, newspapers of general circulation and radio or television stations that have requested notice of meetings pursuant to Section 11125 shall be notified by the presiding officer of the state body, or a designee thereof, one hour prior to the emergency meeting by telephone. Notice shall also be made available on the Internet as soon as is practicable after the decision to call the emergency meeting has been made. If telephone services are not functioning, the notice requirements of this section shall be deemed waived, and the presiding officer of the state body, or a designee thereof, shall notify those newspapers, radio stations, or television stations of the fact of the holding of the emergency meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible.

(d) The minutes of a meeting called pursuant to this section, a list of persons who the presiding officer of the state body, or a designee thereof, notified or attempted to notify, a copy of the roll call vote, and any action taken at the meeting shall be posted for a minimum of 10 days in a public place, and also made available on the Internet for a minimum of 10 days, as soon after the meeting as possible.

§1125.7. OPPORTUNITY FOR PUBLIC TO ADDRESS STATE BODY
(a) Except as otherwise provided in this section, the state body shall provide an opportunity for members of the public to directly address the state body on each agenda item before or during the state body's discussion or consideration of the item. This section is not applicable if the agenda item has already been considered by a committee composed exclusively of members of the state body at a public meeting where interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee's consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the state body. Every notice for a special meeting at which action is proposed to be taken on an item shall provide an opportunity for members of the public to directly address the state body concerning that item prior to action on the item. In addition, the notice requirement of Section 11125 shall not preclude the acceptance of testimony at meetings, other than emergency meetings, from members of the public if no action is taken by the state body at the same meeting on matters brought before the body by members of the public.

(b) The state body may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public comment on particular issues and for each individual speaker.

(c) (1) Notwithstanding subdivision (b), when a state body limits time for public comment the state body shall provide at least twice the allotted time to a member of the public who utilizes a translator to ensure that non-English speakers receive the same opportunity to directly address the state body.

(2) Paragraph (1) shall not apply if the state body utilizes simultaneous translation equipment in a manner that allows the state body to hear the translated public testimony simultaneously.

(d) The state body shall not prohibit public criticism of the policies, programs, or services of the state body, or of the acts or omissions of the state body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.

(e) This section is not applicable to closed sessions held pursuant to Section 11126.

For all other agenda items, the commission shall provide members of the public, other than those who have already participated in the proceedings underlying the agenda item, an opportunity to directly address the commission before or during the commission's consideration of the item.

(a) Notwithstanding Section 11131.5, in any hearing that the California Victim Compensation and Government Claims Board conducts pursuant to Section 13963.1 and that the applicant or applicant’s representative does not request be open to the public, no notice, agenda, announcement, or report required under this article need identify the applicant.

(b) In any hearing that the board conducts pursuant to Section 13963.1 and that the applicant or applicant’s representative does not request be open to the public, the board shall disclose that the hearing is being held pursuant to Section 13963.1. (2) As a condition to holding a closed session on the complaints or charges to consider disciplinary action or to consider dismissal, the employee shall be given written notice of his or her right to have a public hearing, rather than a closed session, and that notice shall be delivered to the employee personally or by mail at least 24 hours before the time for holding a regular or special meeting. Those matters may include review of an applicant’s qualifications for licensure and an inquiry specifically related to the state body’s enforcement program concerning an individual licensee or applicant where the inquiry occurs prior to the filing of a civil, criminal, or administrative disciplinary action against the licensee or applicant by the state body.

(9) Prevent the California Earthquake Prediction Evaluation Council, or other body appointed to advise the Director of Emergency Services or the Governor concerning matters relating to volcanic or earthquake predictions, from holding closed sessions when considering the evaluation of possible predictions.

(g) This article does not prevent either of the following:

(1) The Teachers’ Retirement Board or the Board of Administration of the Public Employees’ Retirement System from holding closed sessions when considering matters pertaining to the recruitment, appointment, employment, or removal of the chief executive officer or when considering matters pertaining to the recruitment or removal of the Chief Investment Officer of the State Teachers’ Retirement System or the Public Employees’ Retirement System.

(2) The Commission on Teacher Credentialing from holding closed sessions when considering matters relating to the recruitment, appointment, or removal of its executive director.

The state body shall designate a clerk or other officer or employee of the state body, who shall then attend each closed session of the state body and keep in a minute book a record of topics discussed and decisions made at the meeting. The minute book made pursuant to this section is not a public record subject to inspection pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 2), and shall be kept confidential. The minute book shall be available to members of the state body or, if a state body that has received a confidential final draft of an audit report from the Bureau of State Audits from holding a closed session pursuant to this section may be made at the closed session, to a court of general jurisdiction. Such minute book may, but need not, consist of a recording of the closed session.

§11126.2. CLOSED SESSION FOR RESPONSE TO FINAL DRAFT AUDIT REPORT

(a) Nothing in this article shall be construed to prohibit a state body that has received a confidential final draft audit report from the Bureau of State Audits from holding closed sessions to discuss its response to that report.

§11126.3. DISCLOSURE OF ITEMS TO BE DISCUSSED IN CLOSED SESSION; DISCUSSION OF ADDITIONAL PENDING LITIGATION MATTERS ARISING AFTER DISCLOSURE

(a) Prior to holding any closed session, the state body shall disclose, in an open meeting, the general nature of the item or items to be discussed in the closed session. The disclosure may take the form of a reference to the item or items as they are listed by number or letter on the agenda. If the session is closed pursuant to paragraph (2) of subdivision (d) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the proceeding or disciplinary action contemplated. However, should the body determine that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties if the proceeding or disciplinary action is commenced or that to do so would fail to protect the private economic and business reputation of the person or entity if the proceeding or disciplinary action is not commenced, then the state body shall notice that there will be a closed session and describe in general terms the purpose of that session. If the session is closed pursuant to subparagraph (A) of paragraph (2) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the litigation to be discussed unless the body states that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties; or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(b) In the closed session, the state body may consider only those matters covered in its disclosure.

(c) The disclosure shall be made as part of the notice provided for the meeting pursuant to Section 11125 or pursuant to subdivision (a) of Section 92032 of the Education Code and of any order or notice required by Section 11129.

(d) If, after the agenda has been published in compliance with this article, any pending litigation (under subdivision (e) of Section 11126) matters arise, the postponement of which will prevent the state body from complying with any statutory, court-ordered, or other legally imposed deadline, the state body may proceed to discuss those matters in closed session and shall publicly announce in the meeting the title of, or otherwise specifically identify, the litigation to be discussed, unless the body states that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage. Such an announcement shall be deemed to comply fully with the requirements of this section.

(e) Nothing in this section shall require or authorize a disclosure of names or other information that would constitute an invasion of privacy or otherwise unnecessarily divulge the particular facts concerning the closed session or the disclosure of which is prohibited by state or federal law.

(f) After any closed session, the state body shall reconvene into open session prior to adjournment and shall make any reports, provide any documentation, and make any other disclosures required by Section 11125.2 of action taken in the closed session.

(g) The announcements required to be made in open session pursuant to this section may be made at the location announced in the agenda for the closed session, as long as the public is allowed to be present at that location for the purpose of hearing the announcement.
§1126.5. CLEARING ROOM WHEN MEETING WILLFULLY INTERRUPTED

In the event that any meeting is willfully interrupted by a group or groups of persons so as to render the orderly conduct of such meeting unfeasible and order cannot be restored by the removal of individuals who are willfully interrupting the meeting the state body conducting the meeting may order the meeting room cleared and continue in session. Nothing in this section shall prohibit the state body from establishing a procedure for readmitting an individual or individuals not responsible for willfully disturbing the orderly conduct of the meeting. The state body may adjourn any regular, adjourned regular, special, or adjourned special meeting to a time and place specified in the order of adjournment. Less than a quorum may so adjourn from time to time.

If all members are absent from any regular or adjourned regular meeting, the clerk or secretary of the state body may declare the meeting adjourned to a stated time and place and he or she shall cause a written notice of the adjournment to be given in the same manner as provided in Section 11125.4 for special meetings, unless that notice is waived as provided for special meetings. A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular, adjourned regular, special, or adjourned special meeting was held within 24 hours after the time of the adjournment. When a regular or adjourned regular meeting is adjourned as provided in this section, the resulting adjourned regular meeting is a regular meeting for all purposes. Any hearing being held, or noticed or ordered to be held by a state body at any meeting may by order or notice of continuance be continued or recontinued to any subsequent meeting of the state body in the same manner and to the same extent set forth in Section 11128.5 for the adjournment of meetings. (4) If, following the in camera review, the court concludes that disclosure of a portion of the recording would be likely to materially assist in the resolution of the litigation alleging violation of this article, the court shall, in its discretion, make a certified transcript of the portion of the recording a public exhibit in the proceeding.

(5) Nothing in this section shall permit discovery of communications that are protected by the attorney-client privilege.

Controlled substance prescription forms provided in person shall be restricted to established customers. DIVISION 106 PERSONAL HEALTH CARE (INCLUDING MATERNAL, CHILD, AND ADOLESCENT)

PART 1 GENERAL ADMINISTRATION

CHAPTER 1: PATIENT ACCESS TO HEALTH RECORDS

§123100. LEGISLATIVE FINDINGS AND DECLARATIONS

The Legislature finds and declares that every person having ultimate responsibility for decisions respecting his or her own health care also possesses a concomitant right of access to complete information respecting his or her condition and care provided. Similarly, persons having responsibility for decisions respecting the health care of others should, in general, have access to information on the patient's condition and care. It is, therefore, the intent of the Legislature in enacting this chapter to establish procedures for providing access to health care records or summaries of those records by patients and by those persons having responsibility for decisions respecting the health care of others.

§123110. INSPECTION OF RECORDS; COPYING OF RECORDS; VIOLATIONS; CONSTRUCTION OF SECTION

(a) Notwithstanding Section 5328 of the Welfare and Institutions Code, and except as provided in Sections 123115 and 123120, any adult patient of a health care provider, any minor patient authorized by law to consent to medical treatment, and any patient representative shall be entitled to inspect patient records upon presenting to the health care provider a written request for those records and upon payment of reasonable clerical costs incurred in locating and making the records available. However, a patient who is a minor shall be entitled to inspect patient records pertaining only to health care of a type for which the minor is lawfully authorized to consent. A health care provider shall permit this inspection during business hours within five working days after receipt of the written request. The inspection shall be conducted by the patient or patient's representative requesting the inspection, who may be accompanied by one other person of his or her choosing.

(b) Additionally, any patient or patient's representative shall be entitled to copies of all or any portion of the patient records that he or she has a right to inspect, upon presenting a written request to the health care provider specifying the records to be copied, together with a fee to defray the cost of copying, that shall not exceed twenty-five cents ($0.25) per page or fifty cents ($0.50) per page for records that are copied from microfilm and any additional reasonable clerical costs incurred in making the records available. The health care provider shall ensure that the copies are transmitted within 15 days after receiving the written request.

(c) Copies of X-rays or tracings derived from electrocardiography, electroencephalography, or electromyography need not be provided to the patient or patient's representative under this section, if the original X-rays or tracings are transmitted to another health care provider upon written request of the patient or patient's representative and within 15 days after receipt of the request. The request shall specify the name and address of the health care provider to whom the records are to be delivered. All reasonable costs, not exceeding actual costs, incurred by a health care provider in providing copies pursuant to this subdivision may be charged to the patient or representative requesting the copies.

(d) (1) Notwithstanding any provision of this section, and except as provided in Sections 123115 and 123120, any patient or former patient or the patient's representative shall be entitled to a copy, at no charge, of the relevant portion of the patient's records, upon presenting to the provider a written request, and proof that the records are needed to support an appeal regarding eligibility for a public benefit program. These programs shall be the Medi-Cal program, social security disability insurance benefits, and Supplemental Security Income/State Supplementary Program for the Aged, Blind and Disabled (SSI/SSP) benefits. For purposes of this subdivision, "relevant portion of the patient's records" means those records regarding services rendered to the patient during the time period beginning with the date of the patient's initial application for public benefits up to and including the date that a final determination is made by the public benefits program with which the patient's application is pending.

(2) Although a patient shall not be limited to a single request, the patient or patient's representative shall be entitled to no more than one copy of any relevant portion of his or her record free of charge.

(3) This subdivision shall not apply to any patient who is represented by a private attorney who is paying for the costs related to the patient's appeal, pending the outcome of that appeal. For purposes of this subdivision, "private attorney" means any attorney not employed by a nonprofit legal services entity.

(e) If the patient's appeal regarding eligibility for a public benefit program specified in subdivision (d) is successful, the hospital or other health care provider may bill the patient, at the rates specified in subdivisions (b) and (c), for the copies of the medical records previously provided free of charge.

(f) If a patient or his or her representative requests a record pursuant to subdivision (d), the health care provider shall ensure that the copies are transmitted within 30 days after receiving the written request.

(g) This section shall not be construed to preclude a health care provider from requiring reasonable verification of identity prior to permitting inspection or copying of patient records, provided this requirement is not used oppressively or discriminatorily to frustrate or delay compliance with this section. Nothing in this chapter shall be deemed to supersede any rights that a patient or representative might otherwise have or exercise under Section 1158 of the Evidence Code or any other provision of law. Nothing in this chapter shall require a health care provider to retain records longer than required by applicable statutes or administrative regulations.

(h) This chapter shall not be construed to render a health care provider liable for the quality of his or her records or the copies provided in excess of existing law and regulations with respect to the quality of medical records. A health care provider shall not be liable to the patient or any other person for any consequences that result from disclosure of patient records as required by this chapter. A health care provider shall not discriminate against classes or categories of providers in the transmittal of X-rays or other patient records, or copies of these X-rays or records, to other providers as authorized by this section. Every health care provider shall adopt policies and establish procedures for the uniform
transmittal of X-rays and other patient records that effectively prevent the discrimination described in this subdivision. A health care provider may establish reasonable conditions, including a reasonable deposit fee, to ensure the return of original X-rays transmitted to another health care provider, provided the conditions do not discriminate on the basis of, or in a manner related to, the license of the provider to which the X-rays are transmitted.

(i) Any health care provider described in paragraphs (4) to (10), inclusive, of subdivision (a) of Section 123105 who willfully violates this chapter is guilty of unprofessional conduct. Any health care provider described in paragraphs (1) to (3), inclusive, of subdivision (a) of Section 123105 that willfully violates this chapter is guilty of an infraction punishable by a fine of not more than one hundred dollars ($100). The state agency, board, or commission that issued the health care provider's professional or institutional license shall consider a violation as grounds for disciplinary action with respect to the licensure, including suspension or revocation of the license or certificate.

(j) This section shall be construed as prohibiting a health care provider from withholding patient records or summaries of patient records because of an unpaid bill for health care services. Any health care provider who willfully withholds patient records or summaries of patient records because of an unpaid bill for health care services shall be subject to the sanctions specified in subdivision (i).

§123120. ACTION TO ENFORCE RIGHT TO INSPECT OR COPY

Any patient or representative aggrieved by a violation of Section 123110 may, in addition to any other remedy provided by law, bring an action against the health care provider to enforce the obligations prescribed by Section 123110. Any judgment rendered in the action may, in the discretion of the court, include an award of costs and reasonable attorney fees to the prevailing party.

Added Stats 1995 ch 415 § 8 (SB 1360), effective January 1, 1996.

§123125. EXCEPTION OF ALCOHOL, DRUG ABUSE AND COMMUNICABLE DISEASE CARRIER RECORDS

(a) This chapter shall not require a health care provider to permit inspection or provide copies of records or portions of records where or in a manner prohibited by existing law respecting the confidentiality of information regarding communicable disease carriers.

(b) This chapter shall not require a health care provider to permit inspection or provide copies of records or portions of records where or in a manner prohibited by existing law respecting the confidentiality of information regarding communicable disease carriers.

§123130. PREPARATION OF SUMMARY OF RECORD; CONFERENCE WITH PATIENT

(a) A health care provider may prepare a summary of the record, according to the requirements of this section, for inspection and copying by a patient. If the health care provider chooses to prepare a summary of the record rather than allowing access to the entire record, he or she shall make the summary of the record available to the patient within 10 working days from the date of the patient's request. However, if more time is needed because the record is of extraordinary length or because the patient was discharged from a licensed health facility within the last 10 days, the health care provider shall notify the patient of this fact and the date that the summary will be completed, but in no case shall more than 30 days elapse between the request by the patient and the delivery of the summary. In preparing the summary of the record the health care provider shall not be obligated to include information that is not contained in the original record.

(b) A health care provider may confer with the patient in an attempt to clarify the patient's purpose and goal in obtaining his or her record. If as a consequence the patient requests information about only certain injuries, illnesses, or episodes, this subdivision shall not require the provider to prepare the summary required by this subdivision for other than the injuries, illnesses, or episodes so requested by the patient. The summary shall contain for each injury, illness, or episode any information included in the record relative to the following:

(1) Chief complaint or complaints including pertinent history.

(2) Findings from consultations and referrals to other health care providers.

(3) Diagnosis, where determined.

(4) Treatment plan and regimen including medications prescribed.

(6) Prognosis including significant continuing problems or conditions.

(7) Pertinent reports of diagnostic procedures and tests and all discharge summaries.

(8) Objective findings from the most recent physical examination, such as blood pressure, weight, and actual values from routine laboratory tests.

(c) This section shall not be construed to require any medical records to be written or maintained in any
manner not otherwise required by law. (d) The summary shall contain a list of all current medications prescribed, including dosage, and any sensitivities or allergies to medications recorded by the provider. (e) Subdivision (c) of Section 123110 shall be applicable whether or not the health care provider elects to prepare a summary of the record. (f) The health care provider may charge no more than a reasonable fee based on actual time and cost for the preparation of the summary. The cost shall be based on a computation of the actual time spent preparing the summary for availability to the patient or the patient’s representative. It is the intent of the Legislature that summaries of the records be made available at the lowest possible cost to the patient.

§123135. CONSTRUCTION OF CHAPTER
Except as otherwise provided by law, nothing in this chapter shall be construed to grant greater access to individual patient records by any person, firm, association, organization, partnership, business trust, company, corporation, or municipal or other public corporation, or government officer or agency. Therefore, this chapter does not do any of the following:
(a) Relieve employers of the requirements of the Confidentiality of Medical Information Act (Part 2.6 (commencing with Section 56) of Division 1 of the Civil Code).
(b) Relieve any person subject to the Insurance Information and Privacy Protection Act (Article 6.6 (commencing with Section 791) of Chapter 1 of Part 2 of Division 1 of the Insurance Code) from the requirements of that act.

Added Stats 1995 ch 415 § 8 (SB 1360), effective January 1, 1996.

Added Stats 1995 ch 415 § 8 (SB 1360), effective January 1, 1996.

§123145. PRESERVATION OF RECORDS AFTER LICENSEE CEASES OPERATION; ACTION FOR ABANDONMENT OF RECORDS
(a) Providers of health services that are licensed pursuant to Sections 1205, 1253, 1575 and 1726 have an obligation, if the licensee ceases operation, to preserve records for a minimum of seven years following discharge of the patient, except that the records of unemancipated minors shall be kept at least one year after the minor has reached the age of 18 years, and in any case, not less than seven years. (b) The department or any person injured as a result of the licensee’s abandonment of health records may bring an action in a proper court for the amount of damage suffered as a result thereof. In the event that the licensee is a corporation or partnership that is dissolved, the person injured may take action against that corporation’s or partnership’s principle officers of record at the time of dissolution.
(c) Abandoned means violating subdivision (a) and leaving patients treated by the licensee without access to medical information to which they are entitled pursuant to Section 123110.

Added Stats 1995 ch 415 § 8 (SB 1360), effective January 1, 1996.

§123148. REPORT TO PATIENT OF RESULTS OF CLINICAL LABORATORY TEST
(a) Notwithstanding any other law, a health care professional at whose request a test is performed shall provide or arrange for the provision of the results of a clinical laboratory test to the patient who is the subject of the test if so requested by the patient, in oral or written form. The results shall be disclosed in plain language and in oral or written form, except the results may be disclosed in electronic form if requested by the patient and if deemed most appropriate by the health care professional who requested the test. The telephone shall not be considered an electronic form of disclosing laboratory results subject to the limits on electronic disclosure of test results for the purpose of this section.
(b) (1) Consent of the patient to receive his or her laboratory results by Internet posting or other electronic means shall be obtained in a manner consistent with the requirements of Section 56.10 or 56.11 of the Civil Code. In the event that a health care professional arranges for the provision of test results by Internet posting or other electronic manner, the results shall be disclosed to a patient in a reasonable time period, but only after the results have been reviewed by the health care professional. Access to clinical laboratory test results shall be restricted by the use of a secure personal identification number when the results are disclosed to a patient by Internet posting or other electronic manner.
(2) Nothing in paragraph (1) shall prohibit direct communication by Internet posting or the use of other electronic means to disclose clinical laboratory test results by a treating health care professional who ordered the test for his or her patient or by a health care professional acting on behalf of, or with the authorization of, the treating health care professional who ordered the test.
(c) When a patient requests access to his or her laboratory test results by Internet posting, the health care professional shall advise the patient of any charges that may be assessed directly to the patient or insurer for the
service and that the patient may call the health care professional for a more detailed explanation of the laboratory test results when delivered.

(d) The electronic disclosure of test results under this section shall be in accordance with any applicable federal law governing privacy and security of electronic personal health records. However, any state statute that governs privacy and security of electronic personal health records, shall apply to test results under this section and shall prevail over federal law if federal law permits.

(e) The test results to be reported to the patient pursuant to this section shall be recorded in the patient’s medical record, and shall be reported to the patient within a reasonable time period after the test results are received at the offices of the health care professional who requested the test.

(f) Notwithstanding subdivision (a), unless the patient requests the disclosure, the health care professional deems this disclosure as an appropriate means, and a health care professional has first discussed in person, by telephone, or by any other means of oral communication, the test results with the patient, in compliance with any other applicable laws, none of the following clinical laboratory test results and any other related results shall be disclosed to a patient by Internet posting or other electronic means:

(1) HIV antibody test, unless an HIV test subject is anonymously tested and the test result is posted on a secure Internet Web site and can only be viewed with the use of a secure code that can access only a single set of test results and that is provided to the patient at the time of testing. The test result shall be posted only if there is no link to any information that identifies or refers to the subject of the test and the information required pursuant to subdivision (h) of Section 120990 is provided.

(2) Presence of antigens indicating a hepatitis infection.

(3) Abusing the use of drugs.

(4) Test results related to routinely processed tissues, including skin biopsies, Pap smear tests, products of conception, and bone marrow aspirations for morphological evaluation, if they reveal a malignancy.

(g) Patient identifiable test results and health information that have been provided under this section shall not be used for any commercial purpose without the consent of the patient, obtained in a manner consistent with the requirements of Section 56.11 of the Civil Code. In no event shall patient identifiable HIV-related test results and health information disclosed in this section be used in violation of subdivision (f) of Section 120980.

(h) A third party to whom laboratory test results are disclosed pursuant to this section shall be deemed a provider of administrative services, as that term is used in paragraph (3) of subdivision (c) of Section 56.10 of the Civil Code, and shall be subject to all limitations and penalties applicable to that section.

(i) A patient may not be required to pay a cost, or be charged a fee, for electing to receive his or her laboratory results in a manner other than by Internet posting or other electronic form.

(j) A patient or his or her physician may revoke consent provided under this section at any time and without penalty, except to the extent that action has been taken in reliance on that consent.

§11165.9. REPORTS TO AUTHORITIES
Reports of suspected child abuse or neglect shall be made by mandated reporters, or in the case of reports pursuant to Section 11166.05, may be made, to any police department or sheriff’s department, not including a school district police or security department, county probation department, if designated by the county to receive mandated reports, or the county welfare department. Any of those agencies shall accept a report of suspected child abuse or neglect whether offered by a mandated reporter or another person, or referred by another agency, even if the agency to whom the report is being made lacks subject matter or geographical jurisdiction to investigate the reported case, unless the agency can immediately electronically transfer the call to an agency with proper jurisdiction. When an agency takes a report about a case of suspected child abuse or neglect in which that agency lacks jurisdiction, the agency shall immediately refer the case by telephone, fax, or electronic transmission to an agency with proper jurisdiction. Agencies that are required to receive reports of suspected child abuse or neglect may not refuse to accept a report of suspected child abuse or neglect from a mandated reporter or another person unless otherwise authorized pursuant to this section, and shall maintain a record of all reports received.

§11166. DUTY TO REPORT
(a) Except as provided in subdivision (d), and in Section 11166.05, a mandated reporter shall make a report to an agency specified in Section 11165.9 whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make an initial report by telephone to the agency immediately or as soon as is practicably possible, and shall prepare and send, fax, or electronically transmit a written followup report within 36 hours of receiving the information concerning the incident. The mandated reporter may include with the report any nonprivileged documentary evidence the mandated reporter possesses.
relating to the incident.

(1) For purposes of this article, “reasonable suspicion” means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on his or her training and experience, to suspect child abuse or neglect. “Reasonable suspicion” does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect; any “reasonable suspicion” is sufficient. For purposes of this article, the pregnancy of a minor does not, in and of itself, constitute a basis for a reasonable suspicion of sexual abuse.

(2) The agency shall be notified and a report shall be prepared and sent, faxed, or electronically transmitted even if the child has expired, regardless of whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy.

(3) A report made by a mandated reporter pursuant to this section shall be known as a mandated report.

(b) If, after reasonable efforts, a mandated reporter is unable to submit an initial report by telephone, he or she shall immediately or as soon as is practicably possible, by fax or electronic transmission, make a one-time automated written report on the form prescribed by the Department of Justice, and shall also be available to respond to a telephone followup call by the agency with which he or she filed the report. A mandated reporter who files a one-time automated written report because he or she was unable to submit an initial report by telephone is not required to submit a written followup report.

(1) The one-time automated written report form prescribed by the Department of Justice shall be clearly identifiable so that it is not mistaken for a standard written followup report. In addition, the automated one-time report shall contain a section that allows the mandated reporter to state the reason the initial telephone call was not able to be completed. The reason for the submission of the one-time automated written report in lieu of the procedure prescribed in subdivision (a) shall be captured in the Child Welfare Services/Case Management System (CWS/CMS). The department shall work with stakeholders to modify reporting forms and the CWS/CMS as is necessary to accommodate the changes enacted by these provisions.

(2) This subdivision shall not become operative until the CWS/CMS is updated to capture the information prescribed in this subdivision.

(3) This subdivision shall become inoperative three years after this subdivision becomes operative or on January 1, 2009, whichever occurs first.

(4) On the inoperative date of these provisions, a report shall be submitted to the counties and the Legislature by the State Department of Social Services that reflects the data collected from automated one-time reports indicating the reasons stated as to why the automated one-time report was filed in lieu of the initial telephone report.

(5) Nothing in this section shall supersede the requirement that a mandated reporter first attempt to make a report via telephone, or that agencies specified in Section 11165.9 accept reports from mandated reporters and other persons as required.

(c) A mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty of a misdemeanor punishable by up to six months confinement in a county jail or by a fine of one thousand dollars ($1,000) or by both that imprisonment and fine. If a mandated reporter intentionally conceals his or her failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a continuing offense until an agency specified in Section 11165.9 discovers the offense.

(d) (1) A clergy member who acquires knowledge or a reasonable suspicion of child abuse or neglect during a penitential communication is not subject to subdivision (a). For the purposes of this subdivision, “penitential communication” means a communication, intended to be in confidence, including, but not limited to, a sacramental confession, made to a clergy member who, in the course of the discipline or practice of his or her church, denomination, or organization, is authorized or accustomed to hear those communications, and under the discipline, tenets, customs, or practices of his or her church, denomination, or organization, has a duty to keep those communications secret.

(2) Nothing in this subdivision shall be construed to modify or limit a clergy member’s duty to report known or suspected child abuse or neglect when the clergy member is acting in some other capacity that would otherwise make the clergy member a mandated reporter.

(3) (A) On or before January 1, 2004, a clergy member or any custodian of records for the clergy member may report to an agency specified in Section 11165.9 the clergy member or any custodian of records for the clergy member, prior to January 1, 1997, in his or her professional capacity or within the scope of his or her employment, other than during a penitential communication, acquired knowledge or had a reasonable suspicion that a child had been the victim of sexual abuse and that the clergy member or any custodian of records for the clergy member did not previously report the abuse to an agency specified in Section 11165.9. The provisions of Section 11172 shall apply to all reports made pursuant to this paragraph.

(B) This paragraph shall apply even if the victim of the known or suspected abuse has reached the age of
majority by the time the required report is made.

(C) The local law enforcement agency shall have jurisdiction to investigate any report of child abuse made pursuant to this paragraph even if the report is made after the victim has reached the age of majority.

(e) (1) A commercial film, photographic print, or image processor who has knowledge of or observes, within the scope of his or her professional capacity or employment, any film, photograph, videotape, negative, slide, or any representation of information, data, or an image, including, but not limited to, any film, filmstrip, photograph, negative, slide, photocopy, videotape, video laser disc, computer hardware, computer software, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image depicting a child under 16 years of age engaged in an act of sexual conduct, shall, immediately or as soon as practicably possible, telephonically report the instance of suspected abuse to the law enforcement agency located in the county in which the images are seen. Within 36 hours of receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written followup report of the incident with a copy of the image or material attached.

(2) A commercial computer technician who has knowledge of or observes, within the scope of his or her professional capacity or employment, any representation of information, data, or an image, including, but not limited to, any computer hardware, computer software, computer file, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image that is retrievable in perceivable form and that is intentionally saved, transmitted, or organized on an electronic medium, depicting a child under 16 years of age engaged in an act of sexual conduct, shall, immediately or as soon as practicably possible, telephonically report the instance of suspected abuse to the law enforcement agency located in the county in which the images are seen. As soon as practicably possible after receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written followup report of the incident with a brief description of the images or materials.

(3) For purposes of this article, “commercial computer technician” includes an employee designated by an employer to receive reports pursuant to an established reporting process authorized by subparagraph (B) of paragraph (43) of subdivision (a) of Section 11165.7.

(4) As used in this subdivision, “electronic medium” includes, but is not limited to, a recording, CD-ROM, magnetic disk memory, magnetic tape memory, CD, DVD, thumbdrive, or any other computer hardware or media.

(5) As used in this subdivision, “sexual conduct” means any of the following:

(A) Sexual intercourse, including genital-genital, oral-genital, anal-genital, or oral-anal, whether between persons of the same or opposite sex or between humans and animals.

(B) Penetration of the vagina or rectum by any object.

(C) Masturbation for the purpose of sexual stimulation of the viewer.

(D) Sadomasochistic abuse for the purpose of sexual stimulation of the viewer.

(E) Exhibition of the genitals, pubic, or rectal areas of a person for the purpose of sexual stimulation of the viewer.

(f) Any mandated reporter who knows or reasonably suspects that the home or institution in which a child resides is unsuitable for the child because of abuse or neglect of the child shall bring the condition to the attention of the agency to which, and at the same time as, he or she makes a report of the abuse or neglect pursuant to subdivision (a).

(g) Any other person who has knowledge of or observes a child whom he or she knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to an agency specified in Section 11165.9. For purposes of this section, “any other person” includes a mandated reporter who acts in his or her private capacity and not in his or her professional capacity or within the scope of his or her employment.

(h) When two or more persons, who are required to report, jointly have knowledge of a known or suspected instance of child abuse or neglect, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.

(i) (1) The reporting duties under this section are individual, and no supervisor or administrator may impede or inhibit the reporting duties, and no person making a report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with this article.

(2) The internal procedures shall not require any employee required to make reports pursuant to this article to disclose his or her identity to the employer.

(3) Reporting the information regarding a case of possible child abuse or neglect to an employer,
§11166.01. PUNISHMENT FOR VIOLATION OF §11166; FAILURE TO REPORT RESULTING IN DEATH OR GREAT BODILY INJURY

(a) Except as provided in subdivision (b), any supervisor or administrator who violates paragraph (1) of subdivision (i) of Section 11166 shall be punished by not more than six months in a county jail, by a fine of not more than one thousand dollars ($1,000), or by both that fine and imprisonment.

(b) Notwithstanding Section 11162 or subdivision (c) of Section 11166, any mandated reporter who willfully fails to report abuse or neglect, or any person who impedes or inhibits a report of abuse or neglect, in violation of this article, where that abuse or neglect results in death or great bodily injury, shall be punished by not more than one year in a county jail, by a fine of not more than five thousand dollars ($5,000), or by both that fine and imprisonment.

§11167. REQUIRED INFORMATION; CONFIDENTIALITY OF REPORTER'S IDENTITY; ADVISING INDIVIDUAL OF COMPLAINT OR ALLEGATIONS

(a) Reports of suspected child abuse or neglect pursuant to Section 11166 or Section 11166.05 shall include the name, business address, and telephone number of the mandated reporter; the capacity that makes the person a mandated reporter; and the information that gave rise to the reasonable suspicion of child abuse or neglect and the source or sources of that information. If a report is made, the following information, if known, shall also be included in the report: the child's name, the child's address, present location, and, if applicable, school, grade, and class; the names, addresses, and telephone numbers of the child's parents or guardians; and the name, address, telephone number, and other relevant personal information about the person or persons who might have abused or neglected the child. The mandated reporter shall make a report even if some of this information is not known or is uncertain to him or her.

(c) Information relevant to the incident of child abuse or neglect, including the investigation report and other pertinent materials, and information relevant to a report made pursuant to Section 11166.05 may be given to the licensing agency when it is investigating a known or suspected case of child abuse or neglect.

(d)(1) The identity of all persons who report under this article shall be confidential and disclosed only among agencies receiving or investigating mandated reports, to the prosecutor in a criminal prosecution or in an action
initiated under Section 602 of the Welfare and Institutions Code arising from alleged child abuse, or to counsel appointed pursuant to subdivision (c) of Section 317 of the Welfare and Institutions Code, or to the county counsel or prosecutor in a proceeding under Part 4 (commencing with Section 7800) of Division 12 of the Family Code or Section 300 of the Welfare and Institutions Code, or to a licensing agency when abuse or neglect in out-of-home care is reasonably suspected, or when those persons waive confidentiality, or by court order.

(2) No agency or person listed in this subdivision shall disclose the identity of any person who reports under this article to that person's employer, except with the employee's consent or by court order.

(e) Notwithstanding the confidentiality requirements of this section, a representative of a child protective services agency performing an investigation that results from a report of suspected child abuse or neglect made pursuant to Section 11166 or Section 11166.05, at the time of the initial contact with the individual who is subject to the investigation, shall advise the individual of the complaints or allegations against him or her, in a manner that is consistent with laws protecting the identity of the reporter under this article.

(f) Persons who may report pursuant to subdivision (g) of Section 11166 are not required to include their names.

§11167.5. CONFIDENTIALITY AND DISCLOSURE OF REPORTS

(a) The reports required by Sections 11166 and 11166.2, or authorized by Section 11166.05, and child abuse or neglect investigative reports that result in a summary report being filed with the Department of Justice pursuant to subdivision (a) of Section 11169 shall be confidential and may be disclosed only as provided in subdivision (b). Any violation of the confidentiality provided by this article is a misdemeanor punishable by imprisonment in a county jail not to exceed six months, by a fine of five hundred dollars ($500), or by both that imprisonment and fine.

(b) Reports of suspected child abuse or neglect and information contained therein may be disclosed only to the following:

(1) Persons or agencies to whom disclosure of the identity of the reporting party is permitted under Section 11167.

The reports and information shall be confidential pursuant to subdivision (d) of Section 11167.

(e) This section shall not be interpreted to allow disclosure of any reports or records relevant to the reports of child abuse or neglect if the disclosure would be prohibited by any other provisions of state or federal law applicable to the reports or records relevant to the reports of child abuse or neglect.

§11172. LIABILITY OF PERSON MAKING REPORT; REIMBURSEMENT BY STATE OF ATTORNEY FEES INCURRED IN DEFENDING ACTION

(a) No mandated reporter shall be civilly or criminally liable for any report required or authorized by this article, and this immunity shall apply even if the mandated reporter acquired the knowledge or reasonable suspicion of child abuse or neglect outside of his or her professional capacity or outside the scope of his or her employment. Any other person reporting a known or suspected instance of child abuse or neglect shall not incur civil or criminal liability as a result of any report authorized by this article unless it can be proven that a false report was made and the person knew that the report was false or was made with reckless disregard of the truth or falsity of the report, and any person who makes a report of child abuse or neglect known to be false or with reckless disregard of the truth or falsity of the report is liable for any damages caused. No person required to make a report pursuant to this article, nor any person taking photographs at his or her direction, shall incur any civil or criminal liability for taking photographs of a suspected victim of child abuse or neglect, or causing photographs to be taken of a suspected victim of child abuse or neglect, without parental consent, or for disseminating the photographs, images, or material with the reports required by this article. However, this section shall not be construed to grant immunity from this liability with respect to any other use of the photographs.

(b) Any person, who, pursuant to a request from a government agency investigating a report of suspected child abuse or neglect, provides the requesting agency with access to the victim of a known or suspected instance of child abuse or neglect, or causing photographs to be taken of a suspected victim of child abuse or neglect, without parental consent, or for disseminating the photographs, images, or material with the reports required by this article, shall not incur any civil or criminal liability as a result of providing that access.

(c) Any commercial computer technician, and any employer of any commercial computer technician, who, pursuant to a warrant from a law enforcement agency investigating a report of suspected child abuse or neglect, provides the law enforcement agency with access to the victim of a known or suspected instance of child abuse or neglect, or for disseminating the photographs, images, or material with the reports required by this article, shall not incur any civil or criminal liability as a result of providing that computer or computer component to the law enforcement agency.

(d) (1) The Legislature finds that even though it has provided immunity from liability to persons required or authorized to make reports pursuant to this article, that immunity does not eliminate the possibility that actions may be brought against those persons based upon...
required or authorized reports. In order to further limit the financial hardship that those persons may incur as a result of fulfilling their legal responsibilities, it is necessary that they not be unfairly burdened by legal fees incurred in defending those actions. Therefore, a mandated reporter may present a claim to the California Victim Compensation and Government Claims Board for reasonable attorney’s fees and costs incurred in any action against that person on the basis of making a report required or authorized by this article if the court has dismissed the action upon a demurer or motion for summary judgment made by that person, or if he or she prevails in the action. The California Victim Compensation and Government Claims Board shall allow that claim if the requirements of this subdivision are met, and the claim shall be paid from an appropriation to be made for that purpose. Attorney’s fees awarded pursuant to this section shall not exceed an hourly rate greater than the rate charged by the Attorney General of the State of California at the time the award is made and shall not exceed an aggregate amount of fifty thousand dollars ($50,000).

(2) This subdivision shall not apply if a public entity has provided for the defense of the action pursuant to Section 995 of the Government Code.

(e) A court may award attorney’s fees and costs to a commercial film and photographic print processor when a suit is brought against the processor because of a disclosure mandated by this article and the court finds this suit to be frivolous.

REGULATIONS UNDER SPECIFIC ACTS OF CONGRESS

PART 315. CONTACT LENS RULE

16 CFR § 315.1. SCOPE OF REGULATIONS IN THIS PART

This part, which shall be called the “Contact Lens Rule,” implements the Fairness to Contact Lens Consumers Act, codified at 15 U.S.C. 7601-7610, which requires that rules be issued to address the release, verification, and sale of contact lens prescriptions. 16 CFR § 315.2. DEFINITIONS

For purposes of this part, the following definitions shall apply:

Business hour means an hour between 9 a.m. and 5 p.m., during a weekday (Monday through Friday), excluding Federal holidays. “Business hour” also may include, at the seller’s option, a prescriber’s regular business hours on Saturdays, provided that the seller has actual knowledge of these hours. “Business hour” shall be determined based on the time zone of the prescriber.

“Eight (8) business hours” shall be calculated from the time the prescriber receives the prescription verification information from the seller, and shall conclude when eight (8) business hours have elapsed. For verification requests received by a prescriber during non-business hours, the calculation of “eight (8) business hours” shall begin at 9 a.m. on the next weekday that is not a Federal holiday or, if applicable, on Saturday at the beginning of the prescriber’s actual business hours.

Commission means the Federal Trade Commission.

Contact lens means any contact lens for which State or Federal law requires a prescription.

Contact lens fitting means the process that begins after an initial eye examination for contact lenses and ends when a successful fit has been achieved or, in the case of a renewal prescription, ends when the prescriber determines that no change in the existing prescription is required, and such term may include:

(1) An examination to determine lens specifications;
(2) Except in the case of a renewal of a contact lens prescription, an initial evaluation of the fit of the contact lens on the eye; and
(3) Medically necessary follow-up examinations.

Contact lens prescription means a prescription, issued in accordance with State and Federal law, that contains sufficient information for the complete and accurate filling of a prescription for contact lenses, including the following:

(1) The name of the patient;
(2) The date of examination;
(3) The issue date and expiration date of prescription;
(4) The name, postal address, telephone number, and facsimile telephone number of prescriber;
(5) The power, material or manufacturer or both of the prescribed contact lens;
(6) The base curve or appropriate designation of the prescribed contact lens;
(7) The diameter, when appropriate, of the prescribed contact lens; and
(8) In the case of a private label contact lens, the name of the manufacturer, trade name of the private label brand, and, if applicable, trade name of equivalent brand name.

Direct communication means completed communication by telephone, facsimile, or electronic mail.

Issue date means the date on which the patient receives a copy of the prescription at the completion of a contact lens fitting.

Ophthalmic goods are contact lenses, eyeglasses, or any component of eyeglasses.

Ophthalmic services are the measuring, fitting, and adjusting of ophthalmic goods subsequent to an eye examination.
Prescriber means, with respect to contact lens prescriptions, an ophthalmologist, optometrist, or other person permitted under State law to issue prescriptions for contact lenses in compliance with any applicable requirements established by the Food and Drug Administration. "Other person," for purposes of this definition, includes a dispensing optician who is authorized or permitted under State law to perform contact lens fitting services.

Private label contact lenses mean contact lenses that are sold under the label of a seller where the contact lenses are identical to lenses made by the same manufacturer but sold under the labels of other sellers.

16 CFR § 315.3. AVAILABILITY OF CONTACT LENS PRESCRIPTIONS TO PATIENTS

(a) In general. When a prescriber completes a contact lens fitting, the prescriber:

(1) Whether or not requested by the patient, shall provide to the patient a copy of the contact lens prescription; and

(2) Shall, as directed by any person designated to act on behalf of the patient, provide or verify the contact lens prescription by electronic or other means.

(b) Limitations. A prescriber may not:

(1) Require the purchase of contact lenses from the prescriber or from another person as a condition of providing a copy of a prescription under paragraph (a)(1) or (a)(2) of this section or as a condition of verification of a prescription under paragraph (a)(2) of this section;

(2) Require payment in addition to, or as part of, the fee for an eye examination, fitting, and evaluation as a condition of providing a copy of a prescription under paragraph (a)(1) or (a)(2) of this section or as a condition of verification of a prescription under paragraph (a)(2) of this section;

(3) Require the patient to sign a waiver or release as a condition of releasing or verifying a prescription under paragraph (a)(1) or (a)(2) of this section.

16 CFR § 315.4. LIMITS ON REQUIRING IMMEDIATE PAYMENT

A prescriber may require payment of fees for an eye examination, fitting, and evaluation before the release of a contact lens prescription, but only if the prescriber requires immediate payment in the case of an examination that reveals no requirement for ophthalmic goods. For purposes of the preceding sentence, presentation of proof of insurance coverage for that service shall be deemed to be a payment.

16 CFR § 315.5. PRESCRIBER VERIFICATION

(a) Prescription requirement. A seller may sell contact lenses only in accordance with a contact lens prescription for the patient that is:

(1) Presented to the seller by the patient or prescriber directly or by facsimile; or

(2) Verified by direct communication.

(b) Information for verification. When seeking verification of a contact lens prescription, a seller shall provide the prescriber with the following information through direct communication:

(1) The patient's full name and address;

(2) The contact lens power, manufacturer, base curve or appropriate designation, and diameter when appropriate;

(3) The quantity of lenses ordered;

(4) The date of patient request;

(5) The date and time of verification request;

(6) The name of a contact person at the seller's company, including facsimile and telephone numbers; and

(7) If the seller opts to include the prescriber's regular business hours on Saturdays as "business hours" for purposes of paragraph (c)(3) of this section, a clear statement of the prescriber's regular Saturday business hours.

(c) Verification events. A prescription is verified under paragraph (a)(2) of this section only if one of the following occurs:

(1) The prescriber confirms the prescription is accurate by direct communication with the seller;

(2) The prescriber informs the seller through direct communication that the prescription is inaccurate and provides the accurate prescription; or

(3) The prescriber fails to communicate with the seller within eight (8) business hours after receiving the information described in paragraph (b) of this section. During these eight (8) business hours, the seller shall provide a reasonable opportunity for the prescriber to communicate with the seller concerning the verification request.

(d) Invalid prescription. If a prescriber informs a seller before the deadline under paragraph (c)(3) of this section that the contact lens prescription is inaccurate, expired, or otherwise invalid, the seller shall not fill the prescription. The prescriber shall specify the basis for the inaccuracy or invalidity of the prescription. If the prescription communicated by the seller to the prescriber is inaccurate, the prescriber shall correct it, and the prescription shall then be deemed verified under paragraph (c)(2) of this section.
(e) No alteration of prescription. A seller may not alter a contact lens prescription. Notwithstanding the preceding sentence, a seller may substitute for private label contact lenses specified on a prescription identical contact lenses that the same company manufactures and sells under different labels.

(f) Recordkeeping requirement—verification requests. A seller shall maintain a record of all direct communications referred to in paragraph (a) of this section. Such record shall consist of the following:

(1) For prescriptions presented to the seller: the prescription itself, or the facsimile version thereof (including an email containing a digital image of the prescription), that was presented to the seller by the patient or prescriber.

(2) For verification requests by the seller:

(i) If the communication occurs via facsimile or e-mail, a copy of the verification request, including the information provided to the prescriber pursuant to paragraph (b) of this section, and confirmation of the completed transmission thereof, including a record of the date and time the request was made;

(ii) If the communication occurs via telephone, a log:

(A) Describing the information provided pursuant to paragraph (b) of this section,

(B) Setting forth the date and time the request was made,

(C) Indicating how the call was completed, and

(D) Listing the names of the individuals who participated in the call.

(3) For communications from the prescriber, including prescription verifications:

(i) If the communication occurs via facsimile or e-mail, a copy of the communication and a record of the time and date it was received;

(ii) If the communication occurs via telephone, a log describing the information communicated, the date and time that the information was received, and the names of the individuals who participated in the call.

(4) The records required to be maintained under this section shall be maintained for a period of not less than three years, and these records must be available for inspection by the Federal Trade Commission, its employees, and its representatives.

(g) Record keeping requirement—Saturday business hours. A seller that exercises its option to include a prescriber's regular Saturday business hours in the time period for verification specified in §315.5(c)(3) shall maintain a record of the prescriber’s regular Saturday business hours and the basis for the seller's actual knowledge thereof. Such records shall be maintained for a period of not less than three years, and these records must be available for inspection by the Federal Trade Commission, its employees, and its representatives.
