

## COVID-19 Vaccine Eligibility Expands Statewide in April

Vaccinations opening for all Californians aged 50 and up April 1st, and 16 and up April 15<sup>th</sup>.

California is allocating COVID-19 vaccines as they become available to ensure equitable distribution. Vaccinations are prioritized according to risk and age.

<b>Healthcare workers and long-term care residents (Phase 1A)</b>		Now vaccinating
<b>People with a high chance of exposure and those 65 or older (Phase 1B)</b> Sector populations with high chance of exposure: <ul style="list-style-type: none"><li>• Agriculture and food</li><li>• Education and childcare</li><li>• Emergency services</li></ul>		Now vaccinating
<b>Individuals age 16 or older at higher risk</b> People with <a href="#">certain significant high-risk</a> : <ul style="list-style-type: none"><li>• Medical conditions</li><li>• Disabilities</li><li>• Illnesses</li><li>• Living spaces</li><li>• Work environments</li></ul>		Now vaccinating
<b>Individuals 50 or older</b>		Starts April 1, 2021
<b>Every Californian 16 or older</b> Vaccination of people younger than 16 will start as soon as the COVID-19 vaccines are approved for them		Starts April 15, 2021

For further details, please review the California Department of Public Health's [Updated COVID-19 Vaccine Eligibility Guidelines](#) and [Provider Bulletin](#). California's COVID-19 vaccine website with [additional information and resources is available here](#).

Every Californian can verify their eligibility or schedule with My Turn by signing up at [myturn.ca.gov](http://myturn.ca.gov) or calling (833) 422-4255.
