PURPOSE

This handbook serves as your notice of eligibility and is designed to provide you with general information regarding the California Laws and Regulations examination processes and content.

To obtain a license to practice optometry in the State of California, an applicant is required to successfully pass the examinations developed by the National Board of Examiners in Optometry (NBEO) and the California Laws and Regulations Examination. The primary purpose of these examinations is to help ensure public health and safety by assessing the candidate’s ability to safely practice optometry at a minimum entry level within California's laws and regulations.

The NBEO examinations test the candidate’s optometric education and training. The California Laws and Regulation’s supplemental examination identifies candidates who are qualified to safely practice optometry in the State of California.

DESCRIPTION OF OPTOMETRIC PRACTICE

The practice of optometry includes the prevention and diagnosis of disorders and dysfunctions of the visual system and the treatment and management of certain disorders and dysfunctions of the visual system, as well as the provision of rehabilitative optometric services, and is the doing of any or all of the acts described in California Business and Professions Code section 3041.

EXAMINATIONS DEVELOPMENT

The Board of Optometry works with the Department of Consumer Affairs’ Office of Professional Examination Services (OPES) to develop the law exam as required by the California Legislature and defined in Business and Professions Code Section 139. OPES provides examination-related services to the DCA's regulatory boards and bureaus in order to ensure that licensure examination programs are fair, psychometrically sound, valid, and legal. Specific services provided include performing occupational analyses, conducting exam item development, evaluating performance of examinations, and consulting on matters pertaining to the measurement of minimum competency standards for licensure.

In addition, Government Code Section 12944 (a), requires that all licensing boards, programs, bureaus and divisions establish job-relatedness of licensing examinations. The following guidelines meet the mandates when developing law examinations:

- First, an Occupational Analysis (OA) is developed in workshops and conducted state-wide with the assistance of state licensed optometrists who serve as Subject Matter Experts.
- Second, the information gathered is then used to develop an examination plan in order to update the questions for the law exam.
- Third, on-going examination development workshops are conducted to ensure the exam is fair, valid, legal and captures the current scope of practice that affects optometric practice in California. Individual test questions are written, developed, reviewed, and approved by the subject matter experts under the guidance of OPES Test Validation and Development Specialists.

EXAMINATIONS BY PSI

The State has contracted with PSI to conduct its examination program. PSI provides examinations through a network of computer examination centers in California and ten additional nationwide sites.

All questions regarding the scheduling and administration of examinations should be directed to PSI.

EXAMINATION PAYMENT AND SCHEDULING PROCEDURES

In order to be determined as eligible, candidates must submit a completed Application for Licensure as an Optometrist, which can be found on the Board of Optometry’s website (www.optometry.ca.gov). Once the application is processed by Board staff, the candidate will be determined to be eligible, and the Board will notify the examination administration contractor, PSI. PSI will mail a scheduling notice indicating how the candidate may schedule an examination.

Your examination eligibility expires and your application is deemed abandoned if you fail to take the examination within one year after being deemed eligible by the Board. This is the date on the eligibility letter the Board sends to you. When your eligibility expires, you will need to reapply to the Board to be considered eligible to take the examination.
FEE

The following fee table lists the applicable fee for the examination. The fee is for each registration, whether you are taking the examination for the first time or repeating.

INTERNET SCHEDULING

You may schedule for your test by completing the online Test Registration Form. The Test Registration Form is available at PSI’s website, www.psiexams.com. You may schedule for a test via the Internet 24 hours a day.

1. Complete the registration form online and submit your information to PSI via the Internet.
2. Upon completion of the online registration form, you will be given the available dates for scheduling your test.
3. You will need to choose a date to complete your registration.
4. Upon successful registration, you will receive a traceable confirmation number.

TELEPHONE REGISTRATION AND SCHEDULING

The second fastest method of scheduling is via the telephone with PSI’s Interactive Voice Response system (IVR) during non-business hours or through live registrars during business hours. For telephone registration, you will need a valid VISA or MasterCard.

1. Complete the Examination Registration Form, including your credit card number and expiration date, so that you will be prepared with all of the information needed to register by telephone.

Call (877) 392-6422, 24 hours a day and register using the Automated Registration System. Otherwise, PSI registrars are available Monday through Friday, between 4:30 am and 7:00 pm and Saturday, between 8:00 am and 2:00 pm, Pacific Time, to receive the information listed on your Examination Registration Form and schedule your appointment for the examination.

FAX REGISTRATION AND SCHEDULING

For Fax registration, you will need a valid VISA or MasterCard.

Complete the Examination Registration Form, including your credit card number and expiration date.

1. Fax the completed form to PSI (702) 932-2666. Fax registrations are accepted 24 hours a day.
2. If your information is incomplete or incorrect, it will be returned for correction.

Please allow 4 business days to process your Registration. After 4 business days, you may schedule your examination using a touch-tone phone, by calling PSI 24 hours a day at (877) 392-6422, between 4:30 am and 7:00 pm and Saturday, between 8:00 am and 2:00 pm, Pacific Time. You may also schedule online by accessing PSI’s registration website at www.psiexams.com.

STANDARD MAIL REGISTRATION AND SCHEDULING

For those desiring to make a payment for their examination using cashier’s checks or money orders, or for those that simply do not wish to provide credit card information over the phone or Internet, you must use the Standard Mail Registration. In order to register, please follow the steps below.

1. Complete the PSI Examination Registration Form (found at the end of the bulletin), and include the appropriate examination fee to PSI. Payment of fees can be made by money order or cashier’s check. Money orders or cashier’s checks should be made payable to PSI. Print your social security number on your cashier’s check or money order to ensure that your fees are properly assigned. CASH, COMPANY CHECKS AND PERSONAL CHECKS ARE NOT ACCEPTED.

Mail the completed Registration Form to:

Please allow 2 weeks to process your Registration. After 2 weeks you may schedule your examination using a touch-tone phone, by calling PSI 24 hours a day at (877) 392-6422. To schedule with a PSI registrar, call Monday through Friday, between 4:30 am and 7:00 pm and Saturday, between 8:00 am and 2:00 pm, Pacific Time. You may also schedule online by accessing PSI’s registration website at www.psiexams.com.
CANCELING AN EXAMINATION APPOINTMENT

You may cancel and reschedule an examination appointment without forfeiting your fee if your cancellation notice is received 2 days prior to the scheduled examination date. For example, for a 9:00 a.m. Monday appointment, the cancellation notice would need to be received before 9:00 a.m. on the previous Saturday. You may call PSI at (877) 392-6422. Please note that you may also use the automated system, using a touch-tone phone, 24 hours a day in order to cancel and reschedule your appointment.

Note: A voice mail message is not an acceptable form of cancellation. Please use the internet, automated telephone system, or call PSI and speak to a Customer Service Representative.

MISSED APPOINTMENT OR LATE CANCELLATION

If you miss your appointment, you will not be able to take the examination as scheduled, further you will forfeit your examination fee, if:

- You do not cancel your appointment 2 days before the scheduled examination date;
- You do not appear for your examination appointment;
- You arrive after examination start time;
- You do not present proper identification when you arrive for the examination.

EXAMINATION SITE CLOSING FOR AN EMERGENCY

In the event that severe weather or another emergency forces the closure of an examination site on a scheduled examination date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling (877) 392-6422. Every effort will be made to reschedule your examination at a convenient time as soon as possible. You will not be penalized. You will be rescheduled at no additional charge.

SPECIAL ACCOMMODATIONS AVAILABLE

All examination sites are physically accessible to individuals with disabilities. The Board and PSI recognize their responsibilities under the Federal Americans with Disabilities Act and California Fair Employment and Housing Act by providing testing accommodations or auxiliary aids or services for candidates who substantiate the need due to a physical or mental disability or qualified medical condition.

Accommodations will not be provided at the examination site unless prior approval by the Board has been granted. Reasonable, appropriate, and effective accommodations may be requested by submitting a “Request for Accommodation” package. Please contact the Board at 916-575-7170 to obtain this package.

Requests for accommodation must be received a minimum of 90 days prior to the desired test date to allow for processing. Accommodations that fundamentally alter the measurement of the skills or knowledge the examination is intended to test will not be granted.

REPORTING TO THE EXAMINATION SITE
On the day of the examination, you must arrive at least 30 minutes prior to your scheduled appointment time. This allows time for check-in and identification verification and provides time to familiarize yourself with the examination process. If you arrive late, you may not be admitted to the examination site and you may forfeit your examination registration fee. Even though candidates will be thumb printed, you are still required to comply with any identification requirements established by the appropriate regulatory entity.

REQUIRED IDENTIFICATION AT EXAMINATION SITE
You must provide 1 form of identification, either:
- An un-expired State Department of Motor Vehicles Identification Card.
- A current U.S. military-issued identification card.
- An un-expired passport.

If you cannot provide the required identification, you must call (877) 392-6422 at least 3 weeks prior to your scheduled appointment to arrange a way to meet this security requirement. Failure to provide all of the required identification at the time of the examination without notifying PSI is considered a missed appointment, and you will not be able to take the examination.

CALIFORNIA LAW SECURITY PROCEDURES
Section 123 of the California Business and Professions Code states: It is a misdemeanor for any person to engage in any conduct which subverts or attempts to subvert any licensing examination or the administration of an examination, including, but not limited to:
- Conduct which violates the security of the examination materials;
- Removing from the examination room any examination materials without authorization;
2. The temperature in the testing room is maintained at a moderate level. Candidates are advised to layer clothing. Acceptable layered clothing includes lightweight shirts, sweaters, and pullovers without pockets. These items must be worn upon check-in, while you wait to enter the testing room, and during your initial seating for the examination.

3. There are timing mechanisms available at the test site and on the computer console to help candidates keep track of time during the test administration. Watches or other timekeeping devices are not permitted in the examination rooms.

4. Only one candidate will be allowed to take a restroom break at a time. Candidates are required to sign out when you leave the room and when you return. If a candidate’s restroom break takes longer than 5 (five) minutes, a proctor will check on the candidate and will notify Board of the occurrence, who will take appropriate action.

5. The following items are not permitted in the examination rooms:
   - Cellular telephones, personal digital assistants (PDAs), recording devices, cameras, pages, purses, notebooks, notebook computers, reference or readings material, music players, radios, electronic games, calculators, or briefcases.
   - Personal items including watches, backpacks, wallets, pens, pencils, or other writing devices, food, drinks (unless prior approval is obtained by your regulatory entity) and good-luck items.
   - Hats, baseball caps, or visors (with the exception of religious apparel), coats, shawls, hooded clothing, heavy jackets, overcoats or shirts with pockets.

During the check-in process, all candidates will be asked if they possess any of the prohibited items and all candidates will be asked to empty their pockets. If prohibited items are found during check-in, candidates shall return these items to their vehicle or other place of safekeeping. Neither PSI, nor the Department of Consumer Affairs, shall be responsible for the items. Any candidate possessing the prohibited items in the examination room shall have his or her test results invalidated, and PSI shall notify the Board of the occurrence.

6. Copying or communicating examination content is a violation of PSI security policy and existing law. Either one shall result in the disqualification or invalidation of examination results, the denial of your license, and may subject the candidate to criminal prosecution.

7. If you are asked by a proctor to step into the lobby during your examination, the proctor will suspend your examination and you will not lose any remaining test time.

**TAKING THE EXAMINATION BY COMPUTER**

Taking the PSI examination by computer is simple. You do not need any computer experience or typing skills. You will use fewer keys than you use on a touch-tone telephone. All response keys are colored and have prominent characters. An illustration of the special keyboard is shown here.
ABOUT THE EXAMINATION

The California Laws and Regulations Examination is based upon a test plan developed by California licensed optometrists. The plan identifies aspects of practice related to the tasks that an optometrist must be able to perform upon licensure. The exam consists of 50 multiple-choice questions from major job duty areas. The candidate is given 1 hour to complete the exam.

EXAMINATION SCORES

At the end of your exam, you will receive a pass or fail result on a printed score report. Numerical (raw) scores are provided to candidates who fail, but are not provided to candidates who pass. Your test results are confidential and are released only to you and the Board of Optometry. To protect your privacy and to maintain the confidentiality of test results, score information is not given over the telephone.

Failing Score Reports: The score report will indicate the candidate’s overall score, including the number of questions answered correctly. It also reveals how the candidate performed on each major section of the test as defined in the study guide below. The number correct in each content area is displayed. The purpose of providing this information is to guide candidates in areas requiring additional preparation for re-testing.

Re-Examination: Candidates who fail may re-take the law exam after 180 days from the date of the examination. The date the candidate will be eligible to re-examine will be provided on the score report. Candidates must wait to register to re-examine after 180 days have elapsed. PSI will not allow candidates to register earlier. After the second failed exam, a request for reexamination form will be provided with the score report at the test center, or may be obtained by contacting the Board at 916-575-7170. Candidates must complete the form and submit to the Board with the correct fee for re-examination. A notice confirming the date the candidate will be eligible to re-examine will be sent approximately 180 days from the date of the examination. Candidates are permitted to take the exam two times in a 12 month eligibility period.

APPLICATION FOR LICENSURE TO PRACTICE OPTOMETRY

The following information is provided for those persons interested in obtaining a license to practice optometry in California. Interested parties can also access this information by visiting the Board’s web-site at www.optometry.ca.gov; click on the link titled Licensing Information.

All requirements for licensure must be met before a license will be issued to practice optometry in the state of California. Following are the licensure requirements:
Must be over the age of 18 years.
Must submit an application accompanied by the required fee of $275.00.
Must have graduated from an accredited school of optometry.
Must submit to a criminal background check by the California Department of Justice.
If licensed in another state, must provide proof of licensure.
Must pass the following required examinations:
- National Board of Examiners in Optometry Examination parts I, II, & III
- California Laws and Regulations Examination

Applicants will receive a written response from the Board on the status of the application within 45 days from the date the application is received.

International Graduates:

The National Board of Examiners in Optometry (NBEO) requires applicants who graduated from outside the United States to obtain permission from a state licensing board to sit for the NBEO exams. The California Board of Optometry shall permit international graduates to take the examination provided they meet all of the following requirements:
- Must be over the age of 18
- Must submit a written request to the Board
- Must have been granted a degree in doctor of optometry.

ABANDONMENT OF APPLICATION

In accordance with Business and Professions Code section 142(b), the Board considers an application abandoned if a candidate has not completed the requirements for licensure within one year after receiving notification of an incomplete application.

In the event an application is abandoned, a candidate must submit a new application along with the required fee and must meet all state requirements. Application fees are not reimbursed when an application is abandoned.

OBTAINING A COPY OF THE LAWS AND REGULATIONS

The Board of Optometry’s law and regulations can be found at www.optometry.ca.gov; click on the tab titled “Laws/Regulations,” on the homepage. Review the following link:
- Optometry Laws and Regulations (This is the 2013 version of the law book)

Make sure to thoroughly review all the sections in the link above during your studies, as all law examinations will reflect all law changes up to your examination date.
It is important that candidates prepare for the examination by studying the state and federal laws and regulations as indicated in the study guide.

The study guide describes the examination content required to demonstrate acceptable competence by a newly licensed optometrist in California. It is organized into four major content areas. Content areas specify the practical knowledge required for the practice of optometry as referenced in the sections of the Business and Professions Code, California Code of Regulations, Health and Safety Code, Education Code, Welfare and Institutions Code, Penal Code, and the Federal Code of Regulations that govern and regulate the profession of optometry in California. Each content area yields a specific number of questions on the examination. The proportion of questions from each content area is based on the importance of knowledge of code sections contained in each content area for the safe and effective practice of optometry.

All code sections referenced in the attached study guide can be found in the 2013 edition of the law book issued by the California State Board of Optometry, which can be accessed online at www.optometry.ca.gov/lawsregs/laws.pdf, or at http://www.leginfo.ca.gov/calaw.html.
