**Subject:** **Agenda Item 7 – Discussion and Possible Action on DOC Task Prioritization;  
Possible Recommendations to Full Board**

---

During this agenda item, the DOC will create and prioritize a list of matters to address in order to improve the RDO Program for consumer protection. The highest priority tasks should be those with the biggest positive impact to public protection:

*“Protection of the public shall be in the highest priority for the State Board of Optometry in exercising its licensing, regulatory, and disciplinary functions. Whenever the protection of the public is inconsistent with other interests sought to be promoted, the protection of the public shall be paramount.”*
